K-12 schools provide

- Teachers, classroom aides, books, computers, supplies for in-person and distance learning
- Breakfast and lunch for millions of students who otherwise would go hungry
- Nurses and health care services for students
- Special education, art, music, and sports programs

COMMUNITY COLLEGES

MARIN CCD

\$334,700

Community Colleges provide

- More than 75% of our nurses, firefighters and EMT's are trained through community colleges
- Nearly half of students earning a bachelor's degree from a University of California campus in science, technology, engineering and mathematics transferred from a California community college.
- Twenty-nine percent of University of California graduates and 51% of California State University graduates started at a community college.
- Academic counseling, financial aid, tutoring, child care

For Local Governments

The revenue estimates reflect the total amount of additional revenue from market value reassessment of commercial property (based on the highest end of the range estimated by the LAO) to be allocated to individual local jurisdictions. Amounts reflect the LAO's estimated reductions for additional assessor costs, personal property tax relief, and other offsets.

For Schools and Community Colleges

Revenue projections are based on \$11.5 billion split 60/40 using 2018-19 funding ratios.

For K-12

The 2018-19 Second Principal (P-2) Average Daily Attendance.
