

Committee Choice

All proposed constitutional amendments and resolutions are first reviewed by one of the convention committees. These committees are given the task of recommending whether an amendment should be adopted, whether a resolution needs modification, what action the convention should take concerning the resolution, and the order of importance for resolutions to be considered. All delegates are encouraged to participate in these important sessions to ensure a democratic convention process.

Each delegate who wishes to serve will be assigned to one convention committee. The CFT President shall appoint delegates to committees based on delegates' expressed choices, giving weight and consideration to balance and to service on standing committees of the Federation. Members of CFT standing committees who are delegates shall be appointed to the corresponding convention committees to coordinate the work of those bodies. No more than 10 percent of committee membership may be from one local. Only assigned members of the committee may debate and vote upon resolutions before the committee.

The CFT President shall appoint convention committee chairs and members of the Constitution Committee with the approval of the Executive Council. Delegates can designate below the convention committees on which they wish to serve.
