CALIFORNIA FEDERATION OF TEACHERS

STATEMENT OF ALLOCATED CHARGEABLE AND NONCHARGEABLE EXPENSES

FOR THE YEAR ENDED DECEMBER 31, 2021
INDEPENDENT AUDITOR’S REPORT

Executive Council
California Federation of Teachers
2550 North Hollywood Way, Suite 400
Burbank, California 91505

Members of the Council:

Opinion
We have audited the accompanying statement of allocated chargeable and nonchargeable expenses of the California Federation of Teachers (the “CFT”) for the year ended December 31, 2021, and the related notes.

In our opinion, the statement of allocated chargeable and nonchargeable expenses referred to above presents fairly, in all material respects, the chargeable and nonchargeable expenses of the CFT for the year ended December 31, 2021, based on the significant factors and assumptions described in Note 3.

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Information section of our report. We are required to be independent of the CFT and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Information
Management is responsible for the preparation and fair presentation of the statement of allocated chargeable and nonchargeable expenses based on the significant factors and assumptions described in Note 3, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statement that is free from material misstatement, whether due to fraud or error.

In preparing the statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CFT’s ability to continue as a going concern within one year after the date that the statement is available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Information
Our objectives are to obtain reasonable assurance about whether the statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a
material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the statement.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CFT’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CFT’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on the Audit of the Financial Statements

Based upon the significant factors and assumptions described in Note 3, the accompanying statement of allocated chargeable and nonchargeable expenses was prepared for the purpose of determining the percentage of chargeable and nonchargeable expenses used in calculating financial core fees. This statement is not intended to be a complete presentation of the CFT’s expenses. The expenses reported in this statement were derived from the CFT’s financial statements for the year ended December 31, 2021. We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the CFT as of and for the year ended December 31, 2021, and our report thereon dated June 28, 2022 expressed an unmodified opinion on those financial statements.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Expenses

The statement of allocated chargeable and nonchargeable expenses has been prepared on the accrual basis; consequently, certain expenses have been recognized when the obligation is incurred rather than when paid.

B. Accounting Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported expenses during the reporting period and the allocation of expenses between chargeable and nonchargeable. Accordingly, actual results may differ from those estimates.

C. Tax-Exempt Status

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the CFT and recognize a tax liability if the CFT has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The CFT is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

No provision for federal or state income tax is made. The CFT and the Legal Defense Fund have received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(5) and the state of California under Revenue and Taxation Code Section 23701a.

The General, Scholarship, Dues Collections, Proposition and Ballot Initiatives COPE Committee, Militancy and Strategic Organizing Funds share the same federal and state employer identification numbers and are included in the same returns.

The Western States Insurance Trust is a taxable complex trust.

The COPE Candidate Committee is subject to taxation under Internal Revenue Code Section 527 and the state of California Revenue and Taxation Code Section 23701r on investment income in excess of $100.

The Disaster Relief Fund has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(3) and the state of California under Revenue and Taxation Code Section 23701d.

D. Pensions

The CFT incurs expenses related to five pension plans. Benefits under the CFT's 401(k) Plans are based on the required contributions made to the Plans. The pension costs for the CFT's two defined benefit plans are determined by actuarial valuation. The CFT makes contributions to two Office and Professional Employees pension plans for the office and clerical staff, one for its Northern California employees and one for its Southern California employees. These Plans may have liabilities for unfunded vested benefits at December 31, 2021 requiring assessment of

D. Pensions (Continued)

withdrawal liability from contributing employers who withdraw from the Plans. The management of the CFT has expressed no intent to withdraw from these Plans and the withdrawal liability, if any, to the CFT has not been computed.

E. Postretirement Medical Benefits - Management/F.R.U.

Effective May 1, 2002, the CFT established the transition obligation related to its postretirement health benefits. The obligation is amortized on a straight-line basis over 20 years. Annual benefit expense for the plan includes service costs, interest and amortization of the transition obligation.

F. O.P.E.I.U. Postretirement Medical Benefits

Effective January 1, 2009, the CFT established the transition obligation related to its O.P.E.I.U. postretirement health benefits. The obligation is amortized on a straight-line basis over 20 years. Annual benefit expense for the Plan includes service costs, interest and amortization of the transition obligation.

G. Office Furniture and Equipment

Office furniture and equipment are stated at cost. Depreciation is determined for related groups of assets under the straight-line method, based upon their estimated useful lives, which range from 3 to 5 years. Minor renewals or replacements, and maintenance and repairs are expensed. Major replacements and improvements are capitalized.

H. Compensated Absences

The CFT accrues accumulated vacation expense as it is earned by its employees under the various contracts and agreements. Accumulated sick leave of over 20 days is payable to clerical employees at 50% of their regular pay rate.

NOTE 2 - FAIR SHARE/AGENCY FEES

A. Background

In 1988, the United States Supreme Court issued a decision holding that unions covered under the National Labor Relations Act (NLRA) may not charge nonmembers fees for nonrepresentational activities when the nonmembers are covered by collective bargaining agreements and object to such fees for nonrepresentational activities. This decision, known as Communication Workers of America v. Beck, applies not only to the relatively uncommon private sector agency shop, but also to the more standard union shop, where the board and courts have long held that any bargaining unit employees may opt to be classified as a "financial core status payer" if he/she does not wish to join the union.

NOTE 3 - SIGNIFICANT FACTORS AND ASSUMPTIONS USED IN THE ALLOCATION OF EXPENSES BETWEEN CHARGEABLE AND NONCHARGEABLE

All expenses were segregated into two classes: direct expenses and indirect expenses. Direct expenses consisted of those expenses for which a clear, measurable relationship to representational activities could be identified. All other expenses were classified as indirect expenses. Management believed that the representational character of indirect expenses was related to direct expenses and, accordingly, that it was appropriate to allocate indirect expenses in proportion to the aggregate allocation percentage derived for the direct expenses. Significant factors and assumptions used in the allocation of the direct expenses are discussed below.

A. Personnel Expenses

Management, representation and support staff who performed the CFT’s activities prepared weekly activity reports, which documented the time spent on various representational and nonrepresentational activities. These activity reports were the basis for allocating their salaries and benefits commensurate to the proportion of time spent performing representational work.

The salaries and benefits of certain support employees were allocated on the basis of a weighted average of the proportion of time spent working with the individuals described above. Certain other employees’ salaries were allocated on the basis of the character of the job performed.

B. Other Personnel-Related Expenses

These expenses were allocated in proportion to the ratio of aggregate chargeable direct salaries and benefits derived pursuant to the methodology described in Note 3(A) above to total direct salaries and benefits.

C. Travel and Lodging

Management and representation staff’s travel and lodging expenses were allocated in proportion to the time spent on various representational and nonrepresentational activities as documented in their weekly activity reports and allocated accordingly. Certain officers’ expenses were analyzed in order to identify the nature of the activities for which the CFT incurred them and allocated accordingly.

D. Mileage Reimbursement

These expenses were allocated in proportion to the time spent by management and representation staff on various representational and nonrepresentational activities as documented in their weekly activity reports and allocated accordingly.
NOTE 3 - SIGNIFICANT FACTORS AND ASSUMPTIONS USED IN THE ALLOCATION OF EXPENSES BETWEEN CHARGEABLE AND NONCHARGEABLE (Continued)

E. O.P.E.I.U. Travel Reimbursement

These expenses were analyzed in order to identify the nature of the activities for which the CFT incurred them and determined to be nonchargeable.

F. Financial Assistance to Locals

Local staff funding programs are required by the CFT's constitution. This financial assistance is provided to local unions for the purpose of employing professional staff at the local level to assist with representational activities and allocated as chargeable.

G. Communications and Publications

These expenses were analyzed in order to identify the nature of the activities for which the CFT incurred them and allocated accordingly.

Three publications that the CFT produces, and made available to both members and financial core status payers through the CFT website are included under this category. As a result, the issues of these publications were analyzed and the costs allocated in proportion to the relative space devoted to representational and nonrepresentational matters.

Legislative, public and community relations were allocated as nonchargeable.

H. Governmental Relations

These expenses were analyzed in order to identify the nature of the activities for which the CFT incurred them and found to be nonchargeable.

I. Information Technology

These expenses were analyzed and allocated accordingly.

J. Research
