(Garcia, Cristina D) Hazardous waste.

Status: 7/14/2021-Failed Deadline pursuant to Rule 61(a)(11). (Last location was E.Q. on 6/9/2021) (May be acted upon Jan 2022)

Location: 7/14/2021-S. 2 YEAR

Summary: (1) Existing law provides that the Department of Toxic Substances Control regulates the handling and management of hazardous substances, materials, and waste. Existing law requires the department to, among other things, issue hazardous waste facilities permits to facilities handling hazardous waste and to enforce the requirements of the hazardous waste control laws. This bill would create the Board of Environmental Safety in the California Environmental Protection Agency. The bill would provide requirements for the membership of the board and would require the board to conduct no less than 6 public meetings per year. The bill would provide for the duties of the board, which would include, among others, reviewing specified policies, processes, and programs within the hazardous waste control laws; proposing statutory, regulatory, and policy changes; and hearing and deciding appeals of hazardous waste facility permit decisions and certain financial assurance decisions. The bill would establish an office of ombudsperson in the board to receive complaints and suggestions, to evaluate complaints received, to report findings and make recommendations to the Director of Toxic Substances Control and the board, and to render assistance. This bill contains other related provisions and other existing laws.

(Ting D) Pupil instruction: in-person instruction: distance learning.

Status: 1/27/2021-In committee: Set, first hearing. Hearing canceled at the request of author.

Location: 1/11/2021-A. ED.

Summary: (1) Existing law establishes a system of public elementary and secondary education in this state, and authorizes local educational agencies throughout the state to provide instruction to pupils in kindergarten and grades 1 to 12, inclusive. Existing law establishes procedures for the apportionment of state funds to these local educational agencies. Existing law, for purposes of calculating apportionments for the 2020–21 fiscal year, requires a local educational agency to offer in-person instruction and authorizes these agencies to offer distance learning, as specified. This bill would specify that the requirement to provide in-person instruction applies when that instruction is allowed under state and local public health orders. This bill contains other related provisions and other existing laws.

Status: 4/30/2021-Failed Deadline pursuant to Rule 61(a)(2). (Last location was H. & C.D. on 1/11/2021)(May be acted upon Jan 2022)

Location: 4/30/2021-A. 2 YEAR

Summary: Existing law, the COVID-19 Tenant Relief Act of 2020, establishes certain procedural requirements and limitations on evictions for nonpayment of rent due to COVID-19 rental debt, as defined. The act prohibits a tenant that delivers a declaration of COVID-19-related financial distress from being deemed in default with regard to the COVID-19 rental debt, as specified. Existing law defines COVID-19 rental debt as unpaid rent or any other unpaid financial obligation of a tenant that came due between March 1, 2020, and January 31, 2021. Existing law repeals the act on February 1, 2025. This bill would establish the Tenant, Small Landlord, and Affordable Housing Provider Stabilization Program. The bill would authorize the Director of Housing and Community Development to direct an existing office or program within the Department of Housing and Community Development to implement the program. The bill would establish in the State Treasury the COVID-19 Tenant, Small Landlord, and Affordable Housing Provider Stabilization Fund, and, upon appropriation by the Legislature, distribute all moneys in the fund to the department to carry out the purposes of the program. The bill would require the program be implemented only to the extent that funding is made available through the Budget Act. The bill would specify that it is the intent of the Legislature to prioritize the use of available federal funds before using General Fund moneys for the program.

**Summary:** (1) Existing federal law, the McKinney-Vento Homeless Assistance Act, provides grants to states to carry out activities relating to the education of homeless children and youths, as defined, including, among others, providing services and activities to improve the identification of homeless children and youths and to enable them to enroll in, attend, and succeed in school. The act requires a state plan submitted for the receipt of the grant to include assurances that local educational agencies will designate an appropriate staff person to act as a local educational agency liaison for homeless children and youths and a description of how the state will ensure that local educational agencies and their liaisons will comply with specified requirements of the act, including the identification of homeless children and youths. This bill would require a local educational agency to ensure that each school within the local educational agency identifies all homeless children and youths and unaccompanied youths, as defined, enrolled at the school. The bill would also require local educational agencies receiving designated federal funds to administer a housing questionnaire, as specified, for purposes of identifying homeless children and youths and unaccompanied youths, and to annually provide the housing questionnaire to all parents or guardians of pupils and unaccompanied youths of the local educational agency. This bill contains other related provisions and other existing laws.

**Summary:** Existing law, the Bagley-Keene Open Meeting Act, requires that all meetings of a state body, as defined, be open and public, and that all persons be permitted to attend any meeting of a state body, except as otherwise provided in that act. Existing law requires the state body to provide notice of its meeting, including specified information and a specific agenda of the meeting, as provided, to any person who requests that notice in writing and to make that notice available on the internet at least 10 days in advance of the meeting. This bill would require that notice to include all writings or materials provided for the noticed meeting to a member of the state body by the staff of a state agency, board, or commission, or another member of the state body that are in connection with a matter subject to discussion or consideration at the meeting. The bill would require those writings or materials to be made available on the state body's internet website, and to any person who requests the writings or materials in writing, on the same day as the dissemination of the writings and materials to members of the state body or at least 72 hours in advance of the meeting, whichever is earlier. The bill would prohibit a state body from discussing those writings or materials, or from taking action on an item to which those writings or materials pertain, at a meeting of the state body unless the state body has complied with these provisions.

**Summary:** Existing law requires superior court judges in each county to prepare, adopt, and annually revise a uniform countywide schedule of bail for all bailable felony offenses, all misdemeanor offenses, and all infractions, except Vehicle Code infractions. Existing law requires the countywide bail schedule to contain a list of offenses and the amounts of bail applicable for each, as the judges determine to be appropriate. This bill would require the Judicial Council to prepare, adopt, and annually revise a statewide bail schedule for all bailable felony offenses and for all misdemeanor and infraction offenses except Vehicle Code infractions, as specified. This bill would require that bail for a person charged with 2 or more offenses be the amount computed under the bail schedule for the charge having the highest amount of bail, except as provided.
AB 46

(Rivas, Luz D) California Youth Empowerment Act.
Status: 9/9/2021-Senate amendments concurred in. To Engrossing and Enrolling.
Location: 9/9/2021-A. ENROLLMENT

Summary: Existing law establishes various social services and programs to address the needs of young people in this state including the California Youth Leadership Project to support and promote civic engagement through scholarships to disconnected and disadvantaged youth. This bill would create the California Youth Empowerment Commission in state government consisting of 13 voting commissioners between 14 and 25 years of age and meeting specified requirements, with 11 members appointed by the Governor, one at-large member appointed by the Senate Committee on Rules, and one at-large member appointed by the Speaker of the Assembly, along with several ex officio, nonvoting members from various geographic regions of the state. The bill would establish the commission to be advisory in nature, for the main purpose of providing meaningful opportunities for civic engagement to improve the quality of life for California’s disconnected and disadvantaged youth. The bill would require the commission to conduct regular meetings, in accordance with specified timeframes and procedures, and, among other duties, formally advise and make recommendations to the Legislature, the Superintendent of Public Instruction, and the Governor, on various legislative and fiscal issues affecting youth. The bill would also authorize the commission to draft and approve resolutions, draft model legislation, provide testimony during legislative committee meetings, conduct public hearings, and award prizes or direct grants to organizations. This bill contains other related provisions.

AB 50

(Boerner Horvath D) Climate change: Climate Adaptation Center and Regional Support Network: sea level rise.
Status: 4/30/2021-Failed Deadline pursuant to Rule 61(a)(2). (Last location was NAT. RES. on 1/11/2021)(May be acted upon Jan 2022)
Location: 4/30/2021-A. 2 YEAR

Summary: Existing law requires the Natural Resources Agency, in collaboration with the Ocean Protection Council, to create, and update biannually, a Planning for Sea Level Rise Database describing steps being taken throughout the state to prepare for, and adapt to, sea level rise. This bill would establish the Climate Adaptation Center and Regional Support Network in the Ocean Protection Council to provide local governments facing sea level rise challenges with information and scientific expertise necessary to proceed with sea level rise mitigation.

AB 51

(Quirk D) Climate change: adaptation: regional climate adaptation planning groups: regional climate adaptation plans.
Status: 4/30/2021-Failed Deadline pursuant to Rule 61(a)(2). (Last location was NAT. RES. on 1/11/2021)(May be acted upon Jan 2022)
Location: 4/30/2021-A. 2 YEAR

Summary: Existing law establishes the Integrated Climate Adaptation and Resiliency Program, administered by the Office of Planning and Research, to coordinate regional and local efforts with state climate adaptation strategies to adapt to the impacts of climate change, as specified. This bill would require the Strategic Growth Council, by July 1, 2022, to establish guidelines for the formation of regional climate adaptation planning groups. The bill would require the council, by July 1, 2023, and in consultation with certain state entities, to develop criteria for the development of regional climate adaptation plans.

AB 52

Status: 4/30/2021-Failed Deadline pursuant to Rule 61(a)(2). (Last location was NAT. RES. on 1/11/2021)(May be acted upon Jan 2022)
Location: 4/30/2021-A. 2 YEAR
Summary: The California Global Warming Solutions Act of 2006 (act) designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The state board is required to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions and to update the scoping plan at least once every 5 years. This bill would require the state board, in each scoping plan update prepared by the state board after January 1, 2022, to include, consistent with the act, recommendations for achieving the maximum technologically feasible and cost-effective reductions of emissions of greenhouse gases and black carbon from wildfires. The bill would also express the intent of the Legislature to appropriate an amount from the Greenhouse Gas Reduction Fund for wildfire mitigation and prevention. This bill contains other existing laws.

AB 58 (Salas D) Pupil health: suicide prevention policies and training: school-based health programs: pilot program.

Summary: (1) Existing law requires the governing board or body of a county office of education, school district, state special school, or charter school that serves pupils in kindergarten and grades 1 to 12, inclusive, to adopt a policy on pupil suicide prevention that specifically addresses, among other things, procedures relating to suicide prevention, intervention, and postvention, and any training on suicide awareness and prevention to be provided to teachers of pupils in all of the grades served by the local educational agency. Existing law requires the State Department of Education to develop and maintain a model policy in accordance with these provisions to serve as a guide for local educational agencies in developing policies for pupil suicide prevention. This bill would require a local educational agency, on or before June 1, 2022, to review and update its policy on pupil suicide prevention, and revise its training materials, to incorporate best practices identified by the department in the department's model policy. The bill would require a local educational agency, commencing with the 2022–23 school year, to provide suicide awareness and prevention training, at the beginning of each school year, to teachers of pupils in all of the grades served by the local educational agency. By imposing additional duties on local educational agencies, the bill would impose a state-mandated local program. The bill would require the department, on or before June 1, 2022, to complete the development of, and issue to local educational agencies, resources and guidance on how to conduct suicide awareness and prevention training remotely. This bill contains other related provisions and other existing laws.

AB 67 (Petrie-Norris D) Sea level rise: working group: economic analysis.

Summary: Existing law requires state agencies to take into account the current and future impacts of climate change when planning, designing, building, operating, maintaining, and investing in state infrastructure. Existing law requires specified entities to submit to the Natural Resources Agency sea level rise planning information, as provided. This bill would require a state agency to take into account the current and future impacts of sea level rise based on projections provided by the Ocean Protection Council when planning, designing, building, operating, maintaining, and investing in infrastructure located in the coastal zone, within the jurisdiction of the San Francisco Bay Conservation and Development Commission, or otherwise vulnerable to flooding from sea level rise or storm surges, or when otherwise approving the allocation of state funds, including, but not limited to, bonds, grants, and loans, for those purposes. The bill would provide that new or expanded infrastructure built pursuant to the above-described provision shall only qualify for state funds if the project is not anticipated to be vulnerable to sea level rise risks during the life of that project. The bill would provide that specified projects may be exempt from the above-described analysis so long as the project design is resilient to mid-century sea level rise projections provided by the Ocean Protection Council and consistent with relevant state and local agency policies. The bill would require, by March 1, 2022, the Ocean Protection Council, in consultation with the Office of Planning and Research, to establish a...
multiagency working group, consisting of specified individuals, on sea level rise to provide recommended policies, resolutions, projects, and other actions to address sea level rise, the breadth of its impact, and the severity of its anticipated harm. The bill would require the council, in consultation with the working group, to, among other things, develop a standardized methodology and template for conducting economic analyses of risks and adaptation strategies associated with sea level rise, as provided. The bill would require a state agency to conduct a sea level rise analysis for any state-funded infrastructure project located in the coastal zone, within the jurisdiction of the commission, or otherwise vulnerable to flooding from sea level rise or storm surges, and restrict funding as needed, pursuant to that methodology. The bill would authorize the Controller to conduct audits of state agencies and consult with working group member agencies, as necessary, to verify and ensure compliance with certain of the above-described provisions.

**Summary:** The Personal Income Tax Law, in conformity with federal income tax law, generally defines gross income as income from whatever source derived, except as specifically excluded, and provides various exclusions from gross income. Existing federal law, for purposes of determining a taxpayer’s gross income for federal income taxation, requires that a person who is a United States shareholder of any controlled foreign corporation to include in their gross income the global intangible low-taxed income for that taxable year, as provided. This bill, for taxable years beginning on or after January 1, 2022, would include a taxpayer’s global intangible low-taxed income in their gross income for purposes of the Personal Income Tax Law, in modified conformity with the above-described federal provisions. The bill would exempt any regulation, standard, criterion, procedure, determination, rule, notice, or guideline established or issued by the Franchise Tax Board to implement its provisions from the rulemaking provisions of the Administrative Procedure Act. This bill contains other related provisions and other existing laws.

**Summary:** The Personal Income Tax Law and the Corporation Tax Law, in conformity with federal income tax law, generally define “gross income” as income from whatever source derived, except as specifically excluded, and provide various exclusions from gross income. Existing law, in conformity with the federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act), and its subsequent amendments in the Paycheck Protection Program and Health Care Enhancement Act and the Paycheck Protection Program Flexibility Act of 2020, among other things, excludes any amounts of covered loans forgiven under the CARES Act from gross income for purposes of the Personal Income Tax Law and the Corporation Tax Law. Existing law reduces the amount of any credit or deduction otherwise allowed under the Personal Income Tax and the Corporation Tax Law for any amount paid or incurred by the taxpayer upon which this exclusion is based by the amount of the exclusion allowed. Existing law requires any bill authorizing a new tax expenditure to contain, among other things, specific goals, purposes, and objectives the tax expenditure will achieve, detailed performance indicators, and data collection requirements. This bill would exclude, for taxable years beginning on or after January 1, 2019, from gross income any advance grant amount, as defined, issued pursuant to specified provisions of
the CARES Act or the Consolidated Appropriations Act, 2021, and covered loan amounts forgiven pursuant to the Consolidated Appropriations Act, 2021. This bill contains other related provisions and other existing laws.

**Summary:** (1) The Child Care and Development Services Act establishes a system of childcare and development services for children up to 13 years of age. Commencing July 1, 2021, existing law transfers specified childcare programs, responsibilities, services, and systems from the State Department of Education and the Superintendent of Public Instruction to the State Department of Social Services. This bill would instead require $42,014,000 to be transferred on July 1, 2020, and would instead appropriate $308,000,000 for the 2020–2021 fiscal year thereby making an appropriation. Of the funds appropriated for the 2020–2021 fiscal year, the bill would allocate $30,000,000 to the State Department of Education to reimburse contractors for the cost of waived family fees for families not receiving in-person services from September 1, 2020, to June 30, 2021, inclusive, and would allocate $80,000,000 to the State Department of Education to reimburse contractors pursuant to prioritized factors, including to support costs associated with increased childcare service hours for ongoing enrollments due to school closures. This bill contains other related provisions and other existing laws.

Summary: Existing law establishes a system of public elementary and secondary education in this state, and authorizes local educational agencies throughout the state to provide instruction to pupils in kindergarten and grades 1 to 12, inclusive. Existing law establishes procedures for the apportionment of state funds to these local educational agencies. Existing law, for purposes of calculating apportionments for the 2020–21 fiscal year, requires a local educational agency to offer in-person instruction and authorizes these agencies to offer distance learning, as specified. This bill would require the school administrator or other person in charge of a public or private school campus maintaining kindergarten or any of grades 1 to 12, inclusive, upon learning that a school employee or pupil at the public or private school campus has tested positive for COVID-19 and was present on campus while infectious, to immediately, and in no case later than 24 hours after learning of the positive COVID-19 case, notify the local health officer or the local health officer’s representative about the positive case, as specified. The bill would prohibit this information from being disclosed by a local public health department, except as provided. The bill, beginning March 15, 2021, would require every school district, county office of education, charter school, and private school maintaining kindergarten or any of grades 1 to 12, inclusive, to notify the State Department of Public Health of certain information relating to in-person activities of the educational entity on or before the 2nd and 4th Monday of each month, as specified, and would require the State Department of Public Health to conduct safety reviews of certain school sites. The bill would require an educational entity to post a completed COVID-19 safety plan containing certain information on its internet website home page, as specified, and would require certain local educational agencies to submit their COVID-19 safety plan to their local public health department and the State Department of Public Health and resolve any deficiencies identified in the plan before offering in-person instruction. By requiring additional actions by local educational agencies, the bill would impose a state-mandated local program. The bill would require the Government Operations Agency to (A) prioritize COVID-19 vaccination for all persons in Tier 1B pursuant to the State Department of Public Health’s Vaccine Allocation Guidelines for COVID-19 Vaccine equally statewide, (B) prioritize a set number of appointments for education sector staff under Tier 1B described in (A), and (C) provide related direct outreach to, and support for, education sector staff. Of the first doses of the COVID-19 vaccines available to the state, the bill would require 10% to be offered to childcare and K-12 education sector staff. The bill would make these provisions inoperative on June 30, 2022, and would repeal them as of January 1, 2023. This bill contains other related provisions and other existing laws.

Summary: Existing law establishes the Division of Juvenile Justice within the Department of Corrections and Rehabilitation to operate facilities to house specified juvenile offenders. Existing law, commencing July 1, 2021, prohibits further commitment of wards to the Division of Juvenile Justice unless the ward is otherwise eligible to be committed to the division and a motion was filed to transfer the ward from the juvenile court to a court of criminal jurisdiction. Existing law requires that all wards committed to the division prior to July 1, 2021, remain within the custody of the division until the ward is discharged, released, or transferred. This bill would require a court to consider, as an alternative to commitment to the Division of Juvenile Justice, placement in local programs established as a result of the realignment of wards from the Division of Juvenile Justice to county-based custody. This bill would require the Division of Juvenile Justice to close on June 30, 2023, and would require the Director of the Division of Juvenile Justice, by January 1, 2022, to develop a plan for the transfer of jurisdiction of youth remaining at the Division of Juvenile Justice who are unable to discharge or otherwise move pursuant to law prior to the division’s final closure on June 30, 2023. The bill would make various other technical and conforming changes to implement the realignment of wards from the Division of Juvenile Justice to county-based custody. This bill would, commencing July 1, 2021, allow counties to establish secure youth treatment facilities for wards who are 14 years of age or older who have been adjudicated and found to be a ward of the court based on an offense that would have resulted in a commitment to the Division of Juvenile Justice, as provided. The bill would require the court to set a baseline term of confinement for the ward that is based on the most serious recent offense for which the ward has been adjudicated, as specified. The bill would additionally require the court to set a maximum term of confinement for the ward in a secure youth treatment facility and require the court, within 30 days of making the order of commitment, to receive, review, and approve an individual rehabilitation plan for the ward from the probation department and any other entity that is designated by the court for development of the plan. The bill would require the court to hold a progress review hearing for the ward not less frequently than once every 6 months during the term of confinement, as specified. The bill would authorize the court, at the conclusion of a progress review hearing, or at a separately scheduled hearing, to order a ward to be transferred from a secure youth treatment facility to a less restrictive program. The bill would, by July 1, 2023, require the Judicial Council to develop and adopt a matrix of offense-based classifications to be applied by the juvenile courts in all counties, as specified. The bill would prohibit a court from committing a juvenile to any juvenile facility for a period...
that exceeds the middle term of imprisonment that could be imposed upon an adult convicted of the same offense or offenses. This bill would require the probation department to request the prosecuting attorney to petition the committing court for an order directing that the person remain subject to the control of the department at the time of discharge if the person confined is determined to be physically dangerous to the public because of the person’s mental or physical condition, disorder, or other problem that causes the person to have serious difficulty controlling their dangerous behavior. The bill would establish the process for the petition, probable cause hearing, trial, continued detention, and appeal pursuant to this provision. The bill would require the Governor and the Legislature to work with stakeholders to develop language by July 1, 2021, that would replace these provisions with a commitment process that ensures the treatment, capacity, legal protections, and court procedures are appropriate, as specified. Existing law establishes a Juvenile Justice Realignment Block Grant program to provide county-based custody, care, and supervision of youth who are realigned from the Division of Juvenile Justice or who would have otherwise been eligible for commitment to the division. Existing law requires the Department of Finance to allocate funds under this program by September 1 each year, beginning September 1, 2021, and provide a schedule of allocations to the Controller. Existing law requires the Controller to allocate the funds in monthly installments pursuant to a schedule that is the same as the schedule for allocations from the Youthful Offender Block Grant Special Account. This bill would instead require the Department of Finance to allocate funds under this program by July 1 each year, beginning July 1, 2021, and would require the Controller to allocate the funds, consistent with the schedule provided by the Department of Finance, no later than August 1 of each year. Existing law establishes the Adult Reentry Grant that is awarded by the Board of State and Community Corrections to support people formerly incarcerated in the state prison. This bill would appropriate $50,000 from the General Fund in 2021–22 fiscal year to the Adult Reentry Grant to support rental assistance programs, as specified. This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

**Summary:** Existing law requires the Controller to make a one-time Golden State Stimulus payment to each qualified recipient, as defined, of an applicable amount, as specified, and authorizes the Controller to make the payment in a form and manner determined by the Franchise Tax Board, as specified. Existing law also requires the State Department of Social Services to make a one-time grant payment (Golden State Grant payment) to qualified grant recipients, as defined, of $600, as specified. This bill would, except as provided, make both payments automatically exempt from a garnishment order, as defined, and would require a financial institution to employ a certain procedure to identify a deposit exempt pursuant to that provision. The bill would prohibit a financial institution that attempts to comply with those provisions in good faith from being subject to liability, as specified. The bill would also further clarify the definition of “qualified recipient” for purposes of the Golden State Stimulus payment and a “grant recipient” eligible to receive a Golden State Grant payment. This bill contains other related provisions and other existing laws.

**Summary:** Existing law provides employees with the right to take time off work without discharge or discrimination for a variety of reasons, including taking time off to appear in school on behalf of a child or to assist a family member who is the victim of a violent or serious felony. This bill would enact the Bereavement Leave Act of 2021. The bill would require an employer with 25 or more employees to grant a request made by any employee to take up to 10 business days of unpaid bereavement leave upon the death of a spouse, child, parent, sibling, grandparent, grandchild, or domestic partner, in accordance with certain procedures, and subject to certain exclusions. The bill would require an employer with fewer than 25 employees to grant a request by any employee to take up to 3 business days of leave, in accordance with these provisions. The bill would prohibit an employer from interfering with or restraining the exercise or attempt to exercise the employee’s right to take this leave. This bill would authorize an employee who has been discharged, disciplined, or discriminated or retaliated
against for exercising their right to bereavement leave to file a complaint with the Division of Labor Standards Enforcement or bring a civil action against their employer for reinstatement, specified damages, and attorney’s fees. The provisions of the bill would not apply to an employee who is covered by a valid collective bargaining agreement that provides for at least as much bereavement leave as is required by this bill and other specified working conditions. This bill contains other related provisions and other existing laws.

**Summary:** Existing law establishes the California Longitudinal Pupil Achievement Data System, which is maintained by the State Department of Education and consists of pupil data regarding demographic, program participation, enrollment, and statewide assessments. This bill would express the intent of the Legislature in enacting the bill to codify certain recommendations in the California Cradle-to-Career Data System Legislative Report published in December 2020, which describes the planning process and recommendations for phase one of the Cradle-to-Career Data System. The bill would set the vision, mission, and strategic objectives of the data system. The bill would establish a governing board, comprised of certain representatives from state agencies, educational organizations, and members of the public, to, among other things, ensure the data system is serving its intended purpose and oversee participation in the data system and provide for its governance structure. The bill would require the governing board to also provide operational oversight of the Cradle-to-Career Data Office that the bill would establish within the Government Operations Agency under the direction of the Department of General Services to serve as the managing entity of the data system, as provided. The bill would establish the Data and Tools Advisory Board and the Community Engagement Advisory Board, comprised of 16 members each of end users of the data in the data system, to perform certain tasks and make recommendations and suggestions to the governing board, as provided. This bill contains other existing laws.

**Summary:** Existing law, until January 1, 2027, authorizes the governing board of a community college district to enter into a College and Career Access Pathways (CCAP) partnership with the governing board of a school district or the governing body of a charter school with the goal of developing seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school pupils achieve college and career readiness. This bill would specify that “high school,” for purposes of a CCAP partnership, includes a community school or juvenile court school. The bill would authorize county offices of education to enter into CCAP partnerships with the governing boards of community college districts in accordance with these provisions. The bill would extend the provisions authorizing CCAP partnerships indefinitely. The bill would also make nonsubstantive conforming changes.

**D**  
**Special education programs: Family Empowerment Centers on Disability.**  
**Status:** 7/14/2021-Failed Deadline pursuant to Rule 61(a)(11). (Last location was ED. on 6/16/2021)  
**Location:** 7/14/2021-S. 2 YEAR  
**Summary:** Existing law requires the State Department of Education to award grants for the establishment of Family Empowerment Centers on Disability in 32 regions in the state to provide training and services to children and young adults with disabilities and their families. Existing law establishes a minimum base rate of $150,000 for each center awarded a grant and requires a center that receives a grant to complete specified actions related to providing that training and those services. Existing law establishes a Family Empowerment and Disability Council composed of the executive directors of the centers and certain other members, establishes a base amount of $150,000 to be made available annually to the council, and requires the council to, among other actions, develop a uniform tracking and data collection system to be used by each center. This bill would revise and recast the provisions related to Family Empowerment Centers on Disability, including requiring the department to award grants by March 1, 2022, to applicants in those of the 32 regions in the state that do not have a center and to give priority to certain applicants, increasing the minimum base rate for each center awarded a grant from $150,000 to $246,000 commencing on July 1, 2021, and, commencing with the 2022–23 fiscal year, providing for an annual cost-of-living adjustment of the grant amount, as specified. The bill would also increase the base amount to be made available annually to the council from $150,000 to $246,000. The bill would impose additional requirements on grantees as a condition of receiving a grant and would require the department, among other actions, to, on or before June 30, 2022, develop a data collection template for use by grantees and provide guidance to grantees on how to define and report data.

**Status:** 4/15/2021-In committee: Set, first hearing. Hearing canceled at the request of author.  
**Location:** 4/15/2021-In A. ELECTIONS  
**Summary:** The Political Reform Act of 1974 imposes various limitations on contributions that may be made to or accepted by candidates for elective state office and committees organized for the support of candidates’ election campaigns. The act generally prohibits a person from making to a candidate for Governor, and a candidate for Governor from accepting, a contribution totaling more than $20,000 per election, except as specified. The act further limits the amount in contributions the Governor may accept after the Governor is elected for the purpose of paying expenses associated with holding the office. A violation of the act’s provisions is punishable as a misdemeanor and subject to specified penalties. This bill would prohibit a Governor’s appointee, as defined, or a person residing in the appointee’s household, during the term of the appointment and for one year after the term expires, from making a monetary contribution to the Governor’s campaign, as defined, or to a committee organized to benefit the Governor’s campaign. The bill would prohibit a Governor’s appointee or a person residing in the appointee’s household from requesting or demanding that another person make such a contribution. The bill would also prohibit the Governor or a committee organized to benefit the Governor’s campaign from accepting such a contribution. This bill contains other related provisions and other existing laws.
(Rodriguez D) Theft: receiving stolen property: firearms.

Summary: Under existing law, theft of any property of a value exceeding $950 is grand theft and is punishable as either a misdemeanor or a felony. Under existing law, theft of any firearm, regardless of value, is grand theft and is punishable as a felony. Under existing law, knowingly buying or receiving stolen property, as specified, is punishable as either a misdemeanor or a felony if the value of the property exceeds $950. Existing law, the Safe Neighborhods and Schools Act, enacted by Proposition 47, as approved by the voters at the November 4, 2014, statewide general election, requires the receipt of stolen property that does not exceed $950 to be punished as a misdemeanor, except in cases when the defendant has previously been convicted of one or more specified serious or violent felonies or an offense requiring registration as a sex offender. This bill would, upon approval by the voters, make knowingly buying or receiving a stolen firearm, as specified, regardless of the value of the firearm, punishable as either a misdemeanor or a felony.

(Boerner Horvath D) Public postsecondary education: University of California: admissions.

Summary: Existing law establishes the University of California, under the administration of the Regents of the University of California, and the California State University, under the administration of the Trustees of the California State University, as the 2 segments of public postsecondary education in the state generally authorized to grant baccalaureate degrees. The Donahoe Higher Education Act sets forth the missions and functions of the segments of postsecondary education in this state. Provisions of the act apply to the University of California only to the extent that the Regents act, by appropriate resolution, to make those provisions applicable. A provision of the act expresses the intent of the Legislature that, in determining the standards and criteria for undergraduate and graduate admissions to the University of California and the California State University, the governing bodies of the segments develop processes that, among other things, strive to be fair and are easily understandable. This bill would urgently request the Regents to require the Office of the President of the University of California to establish specified systemwide protocols for admission processes by April 15, 2022, to be effective in the university’s admission cycle beginning August 1, 2022. These protocols would include a requirement that campus staff involved in making or informing admissions decisions report all attempts to influence admissions decisions, regardless of source, to their supervisors or to the director of undergraduate admissions. These protocols would also generally require the development and implementation of systemwide standards and procedures to promote an equitable admissions process for the campuses of the university, including processes to improve the proficiency and consistency of application readers. The bill would also urgently request the Regents to require the Office of President of the University of California to submit an annual report to specified committees of the Legislature on prescribed topics related to the university’s admission process and related practices of the campuses, commencing on or before July 1, 2023, and on or before July 1 annually thereafter.

(Choi R) Public postsecondary education: admission by exception.

Summary: Existing law, commencing with admissions for the 2021–22 academic year, prohibits a campus of the California State University and, if adopted by the Regents of the University of California by appropriate resolution, the University of California, from admitting an applicant by admission by exception, as defined, unless the admission by exception has been approved, before the student’s enrollment, by at least 3 senior campus administrators, the applicant is a California resident who is receiving an institution-based scholarship to attend the campus, or the applicant is accepted by an
educational opportunity program for admission to the campus. This bill would prohibit a senior campus administrator, for purposes of this section, from being associated with campus development, external affairs, fundraising, donor relations, alumni relations, or alumni outreach.

**Summary:** The California Global Warming Solutions Act of 2006 establishes the State Air Resources Board as the state agency responsible for monitoring and regulating sources emitting greenhouse gases. The act requires the state board to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40 percent below the 1990 level by 2030. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions and to update the scoping plan at least once every 5 years. This bill would require the state board, as part of the next scoping plan update, in collaboration with the Natural Resources Agency and other relevant state agencies and departments and no later than January 1, 2023, to identify a 2045 climate goal, with interim milestones, for the state’s natural and working lands, as defined, and to integrate into the scoping plan update recommendations developed by the Natural Resources Agency and the Department of Food and Agriculture regarding practices, policy and financial incentives, market needs, and potential reductions in barriers that would help achieve the 2045 climate goal, among other recommendations. The bill would require the state board, in collaboration with the Natural Resources Agency and other relevant state agencies and departments, to include this information in each subsequent update to the scoping plan and update that information, as appropriate. This bill contains other related provisions.

**Summary:** Existing law establishes in the state government a State Department of Education and the department is responsible for various ongoing activities involving the public schools. Existing law requires the Commission on Teacher Credentialing to, among other duties, establish standards for the issuance and renewal of credentials, certificates, and permits. Existing law sets forth the minimum requirements for a services credential with a specialization in health for a school nurse, as provided. Existing law requires the governing board of a school district to give diligent care to the health and physical development of pupils, and authorizes the governing board of a school district to employ properly certified persons for that work. Existing law authorizes a school nurse, subject to approval by the governing board of the school district, to perform various pupil health care services. This bill would require the department to appoint a state school nurse consultant to be housed within the department. The bill would require the state school nurse consultant to be a school nurse credentialed by the commission, as specified, who has a minimum of 5 years of experience in school health program management. The bill would require the state school nurse consultant to work with school districts and school nurses to promote quality school nursing services and school health programs that address the broad health needs of pupils, among other responsibilities. The bill would require the state school nurse consultant to annually report to the Governor and the Legislature a summary of the year’s activities and specific recommendations, as provided. This bill contains other related provisions.

**Summary:** Existing law establishes the English Language Learner Acquisition and Development Pilot Program, under the administration of the State Department of Education, as a 3-year competitive grant pilot project of 25,000 or more English language learners to be conducted during the 2007–08 to 2009–10, inclusive, school years. Under the program, grants are made to local educational agencies, as defined, to identify existing best practices regarding topics including, but not limited to, curriculum, instruction, and staff development for teaching English language learners and promoting English language acquisition and development. The program requires the Superintendent of Public Instruction to establish a 13-to-20 member advisory committee, with specified responsibilities. This bill would repeal the statutes that establish the program.

**O'Donnell (D)** School districts and community college districts: employee housing.
**AB 320**  (Medina D)  **Teacher preparation programs: regionally accredited institutions.**

**Status:** 9/9/2021-Senate amendments concurred in. To Engrossing and Enrolling.

**Location:** 9/9/2021-A. ENROLLMENT

**Summary:** Existing law requires the Commission on Teacher Credentialing to, among other duties, establish standards for the issuance and renewal of credentials, certificates, and permits. Under existing law, the commission establishes standards for teacher preparation programs at postsecondary educational institutions. This bill would define “regionally accredited,” as that term is applied to institutions of higher education with teacher preparation programs, as either an institution that has been accredited by the Accrediting Commission for Senior Colleges and Universities, the Western Association of Schools and Colleges, the Higher Learning Commission, the Middle States Commission on Higher Education, the Northwest Commission on Colleges and Universities, the New England Commission of Higher Education, or the Southern Association of Colleges and Schools Commission on Colleges, or an institution of higher education that held preaccreditation status at the time the degree of an applicant for a credential was conferred, if that institution achieved full regional accreditation status within 5 years of earning preaccreditation status. The bill would also define “regionally accredited” to include community or junior colleges that confer baccalaureate degrees and are regionally accredited by accrediting agencies, as specified, or by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges. The bill, among other things, would also make conforming changes to use the term “regionally accredited institution of higher education” to refer to certain postsecondary educational institutions with teacher preparation programs. This bill contains other related provisions and other existing laws.

**AB 321**  (Valladares R)  **Childcare services: eligibility.**

**Status:** 4/30/2021-Failed Deadline pursuant to Rule 61(a)(2). (Last location was HUM. S. on 2/12/2021)(May be acted upon Jan 2022)

**Location:** 4/30/2021-A. 2 YEAR

**Summary:** The Child care and Development Services Act has a purpose of providing a comprehensive, coordinated, and cost-effective system of childcare and development services for children from infancy to 13 years of age and their parents, including a full range of supervision, health, and support services through full- and part-time programs. Existing law requires the Superintendent of Public Instruction to administer all California state preschool programs, which include, but are not limited to, part-day age and developmentally appropriate programs designed to facilitate the transition to kindergarten for 3- and 4-year-old children in educational development, health services, social services, nutritional services, parent education and parent participation, evaluation, and staff development. Existing law requires the Superintendent of Public Instruction to adopt rules and regulations on eligibility, enrollment, and priority of services needed to implement the act. Existing law specifies priority for services pursuant to the act and requires that first priority be given to neglected or abused children, as specified. Existing law also requires that 2nd priority be given equally to all eligible families,
regardless of the number of parents in the home, that are income eligible. Existing law further requires that if 2 or more families are in the same priority in relation to income, the family that has a child with exceptional needs shall be admitted first. This bill would authorize a part-day California state preschool program to provide services to 3- and 4-year-old children in families whose income is above the income eligibility threshold if those children come from a family in which the primary home language is a language other than English. The bill would also require that priority be given to a family in which the primary home language is a language other than English be admitted first if there is no family of the same priority with a child with exceptional needs.

**Status**: 6/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 23, Statutes of 2021.  
**Location**: 6/28/2021-A. CHAPTERED

**Summary**: Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. The board of governors consists of 18 members, including 2 community college students appointed by the Governor for 2-year terms. Existing law prohibits a student member from voting at a board meeting during the first year of the student member’s term, except as specified. This bill would eliminate the prohibition against a student member voting during the student member’s first year on the board.

**AB 382**  
**Policy** Whole Child Model program.  
**Status**: 7/9/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 51, Statutes of 2021.  
**Location**: 7/9/2021-A. CHAPTERED

**Summary**: Under existing law, the State Department of Health Care Services administers various health programs, including the California Children’s Services (CCS) program, which is a statewide program providing medically necessary services required by physically handicapped children whose parents are unable to pay for those services, and the Medi-Cal program, under which qualified low-income individuals receive health care services under specified health care delivery systems, such as managed care. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Existing law authorizes the department to establish a Whole Child Model (WCM) program, under which managed care plans served by a county organized health system or Regional Health Authority in designated counties provide CCS services to Medi-Cal eligible CCS children and youth. Existing law requires the department to establish a statewide WCM program stakeholder advisory group that includes specified persons, such as CCS case managers and labor organizations, to consult with that advisory group on the implementation of the WCM, and to consider the advisory group’s recommendations on prescribed matters. Existing law terminates the advisory group on December 31, 2021. This bill would remove labor organizations from the stakeholder advisory group, and would instead include recognized exclusive representatives of CCS county providers. The bill would instead terminate the advisory group on December 31, 2023.

**Summary:** Existing law, the California Public Records Act, requires state and local agencies to make their records available for public inspection, unless an exemption from disclosure applies. Existing law excludes from the disclosure requirement certain records regarding alternative investments in which public investment funds invest. This bill would exempt from disclosure under the act specified records regarding an internally managed private loan made directly by the Public Employees’ Retirement Fund. Under the bill, these records would include quarterly and annual financial statements of the borrower or its constituent owners, unless the information has already been publicly released by the keeper of the information. The bill would prescribe specified exceptions to this exemption from disclosure. This bill contains other related provisions and other existing laws.

**Summary:** The Interagency School Safety Demonstration Act of 1985 requires school districts and county offices of education to be responsible for the overall development of all comprehensive school safety plans for their schools operating kindergarten or any of grades 1 to 12, inclusive. This bill would require a school district, county office of education, and charter school to inform parents and guardians...
of pupils at the beginning of each semester or quarter of the regular school term and during any new enrollment or transfer, of California’s child access prevention laws and laws relating to the safe storage of firearms, as specified. By imposing additional duties on school districts, county offices of education, and charter schools, the bill would impose a state-mandated local program. The bill would require the State Department of Education to develop and update as necessary, in consultation with the Department of Justice, and annually provide to school districts, county offices of education, and charter schools, and, upon request, to provide to private schools, concise content regarding those child access prevention and safe storage of firearms laws. The bill would make a school district, county office of education, charter school, private school, and the department immune from civil liability for any damages relating to that content. This bill contains other related provisions and other existing laws.

</tbody>
</table>

**Summary:** The County Employees Retirement Law of 1937 (CERL) authorizes counties to establish retirement systems pursuant to its provisions for the purpose of providing pension, disability, and other benefits to county and district employees. CERL defines compensation earnable for purposes of its provisions, with particular application to the calculation of final compensation and the determination of pension amounts and other benefits. In this regard, “compensation earnable” by a member means the average compensation as determined by the retirement board, for the period considered based on the average number of days ordinarily worked by persons in the same grade or class of positions during the period, as specified. Existing law, the California Public Employees’ Pension Reform Act of 2013, prescribes various limitations on public employees, employers, and retirement systems concerning, among other things, the types of remuneration that may be included in compensation that is applied to pensions. This bill would delete the term “grade” and replace it with the term “group” for purposes of the definition of compensation earnable, as described above. The bill would define the phrase “group or class of positions” for purposes of this definition to mean a number of employees considered together because they share similarities in job duties, work location, collective bargaining unit, or other logical work-related grouping, and would specify that a single employee is not a group or class. This bill contains other related provisions.

**Summary:** Existing law requires an individualized education program (IEP) team, when developing an IEP, to consider whether an individual with exceptional needs requires assistive technology devices and services, as defined. Existing law requires a local educational agency to provide, on a case-by-case basis, the use of school-purchased assistive technology devices in a child’s home or in other settings if the child’s IEP team determines that the child needs access to those devices in order to receive a free appropriate public education. This bill would authorize a local educational agency or special education local plan area to retain, sell, or otherwise dispose of an assistive technology device, including, but not limited to, giving the assistive technology device to the individual with exceptional needs to whom it was assigned, if specified determinations are made.

**Summary:** Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed by, and funded pursuant to, federal Medicaid program provisions. Existing law establishes the Administrative Claiming process under which the department is authorized to contract with local governmental agencies and local educational consortia for the purpose of obtaining federal matching funds to assist with the performance of administrative activities relating to the Medi-Cal program that are provided by a local governmental agency or local educational agency (LEA). Existing law also provides that specified services provided by LEAs are covered Medi-Cal benefits and are reimbursable on a fee-for-service basis under the LEA Medi-Cal billing option. This bill would require the State Department of Education to, no later than July 1, 2022, establish an Office of School-Based Health Programs for the purpose of administering current health-related programs under the purview of the State Department of Education and advising it on issues related to the delivery of school-based Medi-Cal services in the state. The bill would require the office to, among other things, provide technical assistance, outreach, and informational materials to LEAs on allowable services and on the submission of claims. The bill would authorize the office to form advisory groups, as specified, and, to the extent necessary, would require the State Department of Health Care Services to make available to the office any information on other school-based dental, health, and mental health programs, and school-based health centers, that may receive Medi-Cal funding. The bill would require the office to be supported through an interagency agreement with the State
Department of Health Care Services, and would authorize the office to receive additional funds from grants and other sources. This bill contains other related provisions and other existing laws.

**Summary:** Existing law, the Bronzan-McCorquodale Act, contains provisions governing the operation and financing of community mental health services for the mentally disordered in every county through locally administered and locally controlled community mental health programs. Existing law, the Mental Health Services Act (MHSA), an initiative measure enacted by the voters as Proposition 63 at the November 2, 2004, statewide general election, establishes the continuously appropriated Mental Health Services Fund to fund various county mental health programs. The MHSA also establishes the Mental Health Oversight and Accountability Commission and requires counties to engage in specified planning activities, including creating and updating a 3-year program and expenditure plan through a stakeholder process. This bill would establish the California Youth Mental Health Board (state board) within the California Health and Human Services Agency to advise the Governor and Legislature on the challenges facing youth with mental health needs and determine opportunities for improvement. The state board would be comprised of 15 members who are between 15 and 23 years of age, appointed as specified, at least half of whom are youth mental health consumers who are receiving, or have received, mental health services, or siblings or immediate family members of mental health consumers. The bill would specify the powers and duties of the state board, including reviewing program performance in the delivery of mental health and substance use disorder services for youth. This bill contains other related provisions and other existing laws.

**Summary:** Existing law establishes the California Community Colleges under the administration of the Board of Governors of the California Community Colleges. Existing law requires the board of governors to appoint a chief executive officer, to be known as the Chancellor of the California Community Colleges. Existing law waives open course provisions in statute or regulations of the board of governors for any governing board of a community college district for classes the district provides to inmates of certain facilities, and authorizes the board of governors to include any course that results in full-time equivalent students generated in those classes for purposes of state apportionments. This bill would waive open course provisions in statute or regulations of the board of governors for any governing board of a community college district for community college courses the district provides to military personnel, their dependents, and authorized civilian employees on a military base, and would authorize the board of governors to include any course that results in full-time equivalent students generated in those community college courses for purposes of state apportionments.

**Summary:** Existing law, the Personal Income Tax Law and Corporation Tax Law, in modified conformity with federal income tax laws, generally allow various deductions in computing the income that is subject to taxes imposed by those laws, including a deduction for a net operating loss as specified. Existing law suspends the deduction for a net operating loss, as specified, for taxable years beginning on or after January 1, 2020, and before January 1, 2023. This bill, the Golden State Innovation Act of 2021, would, for taxable years beginning on or after January 1, 2021, and before January 1, 2023, exclude a taxpayer that performs research and development in biotechnology, as described, from the above-described suspension of the deduction for net operating losses and the above-described...
limitation on the total credits allowable. This bill contains other related provisions and other existing laws.

**AB 595**

**Medina D**  
Public postsecondary education: University of California and California State University: student eligibility policy.

**Status:** 4/14/2021-In committee: Hearing postponed by committee.

**Location:** 3/24/2021-A. APPR.

**Summary:** Existing law establishes the University of California, under the administration of the Regents of the University of California, and the California State University, under the administration of the Trustees of the California State University, as the 2 segments of public postsecondary education in the state generally authorized to grant baccalaureate degrees. The Donahoe Higher Education Act sets forth the missions and functions of the segments of postsecondary education in this state. Provisions of the act apply to the University of California only to the extent that the regents act, by appropriate resolution, to make those provisions applicable. A provision of the act expresses the intent of the Legislature that, in determining the standards and criteria for undergraduate and graduate admissions to the University of California and the California State University, the governing bodies of the segments develop processes that, among other things, strive to be fair and are easily understandable. This bill would require the trustees, and request the regents, before making any change in undergraduate student eligibility policy that adds new eligibility requirements, as described, that impact students across its segment, to engage in public discussions with and coordinate with other educational segments that will be impacted by the policy to understand the impacts of the policy in order to try to align preparation and their respective student eligibility policies. The bill would also require the trustees, and request the regents, to commission an independent study by a third-party research organization to assess the impact of the change in student eligibility policy on the eligibility rates of the graduates of public secondary schools who are members of underrepresented student groups, and specifically examine the impact on eligibility and admission rates of all high school graduates, disaggregated by race, ethnicity, income, and region. This bill contains other related provisions.

**Location:** 4/30/2021-A. 2 YEAR

**Summary:** Existing law, on and after January 1, 2023, prohibits California postsecondary educational institutions from upholding any rule, requirement, standard or other limitation that prevents an intercollegiate student athlete from earning compensation as a result of the use of the student’s name, image, or likeness. Existing law prohibits a postsecondary educational institution, athletic association, conference or other group or organization with authority over intercollegiate athletics from providing a prospective student athlete with compensation in relation to the athlete’s name, image, or likeness. This bill would require institutions of higher education with sports in which 50% of the institution’s total sports revenue in the state exceeds the total aggregate grant-in-aid athletics scholarship amount provided to the institution’s college athletes in the sport during the reporting year to pay a name, image, and likeness royalty fee to each qualifying college athlete, as specified. The bill would require each institution of higher education to comply with Title IX of the federal Education Amendments of 1972 as it applies to college athletics, to suspend an athletic director from office, to pay a name, image, or likeness royalty fee to each qualifying college athlete, as specified. The bill would require each institution of higher education to comply with Title IX of the federal Education Amendments of 1972 as it applies to college athletics, to suspend an athletic director from office.

Postsecondary education: California Educational Facilities Authority.

**Status:** 5/25/2021-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. on 3/24/2021)  
(May be acted upon Jan 2022)
**Policy Summary:** The California Educational Facilities Authority Act establishes the California Educational Facilities Authority to, among other things, (1) provide private institutions of higher education within the state with an additional means by which to expand, enlarge, and establish dormitory, academic, and related facilities, finance those facilities, and refinance existing facilities; and (2) enter into agreements with nonprofit entities, as defined, to develop student, faculty, and staff housing on or near the campuses of the University of California, the Hastings College of the Law, the California State University, the California Community Colleges, or a participating private college, as specified. The act authorizes the authority to fund, as specified, and to construct, acquire, or otherwise provide for, projects for these purposes. The act defines “project” for a participating private college to mean a dormitory, an educational facility, or faculty or staff housing, and defines “project” for a participating nonprofit entity to mean the construction or acquisition of student housing or faculty and staff housing. The act requires, among other things, that a project involving a participating nonprofit entity include and maintain for 40 years a restriction to the grant deed on the real property on which the student or faculty or staff housing is to be located, with specified rights for the participating institution and its students, faculty, or staff. This bill would specify that the above-referenced requirement for a grant deed restriction does not apply to a project for student, faculty, or staff housing located on property within the boundary of a campus or on property located outside the campus boundary and owned by the applicable institution. This bill contains other existing laws.

**Summary:** The Planning and Zoning Law authorizes the legislative body of any county or city to adopt ordinances regulating zoning within its jurisdiction, as specified. This bill would require a city or county with a population of more than 400,000 people to permit the building of cohousing buildings, as defined, in any zone where multifamily residential buildings are permitted. The bill would require that cohousing buildings be permitted on the same basis as multifamily dwelling units. The bill would set minimum standards for the construction of cohousing buildings, including floor-space ratios and setback requirements. The bill would require that specified percentages of cohousing buildings be set aside for affordable housing, as specified. The bill would define terms for the purpose of these provisions. This bill contains other related provisions and other existing laws.

**Summary:** The Personal Income Tax Law and the Corporation Tax Law, in conformity with federal income tax law, generally defines “gross income” as income from whatever source derived, except as specifically excluded, and provide various exclusions from gross income. Existing law, in conformity with the federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act), and its subsequent amendments in the Paycheck Protection Program and Health Care Enhancement Act and the Paycheck Protection Program Flexibility Act of 2020, among other things, excludes any amounts of covered loans forgiven under the CARES Act from gross income for purposes of the Personal Income Tax Law and the Corporation Tax Law. Existing law reduces the amount of any credit or deduction otherwise allowed under the Personal Income Tax and the Corporation Tax Law for any amount paid or incurred by the taxpayer upon which this exclusion is based by the amount of the exclusion allowed. Existing law requires any bill authorizing a new tax expenditure to contain, among other things, specific goals, purposes, and objectives the tax expenditure will achieve, detailed performance indicators, and data collection requirements. This bill would adopt the provisions of the Consolidated Appropriations Act, 2021, prohibiting any reduction in tax deductions, denials of basis adjustments, and reductions in tax attributes based on the exclusion from gross income provided for any loan amount forgiven in conformity with the federal CARES Act and its subsequent amendments. The bill would provide findings to comply with the additional information requirement for any bill authorizing a new tax expenditure. This bill contains other related provisions and other existing laws.

**Summary:** Existing law generally requires county elections officials to prepare a county voter information guide before each election and to mail the guide to each voter no later than 21 days before the election. For a partisan primary election, existing law requires county elections officials to prepare a county voter information guide for each political party and a nonpartisan county voter information guide and to mail the applicable guide to each voter no later than 10 days before the election. This bill would instead require county elections officials to mail a county voter information guide to each voter no later than 29 days before the election. By increasing the duties of county elections officials, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

**Summary:** Existing law, the Miller-Ayala Athlete Agents Act, regulates various activities of an athlete agent in representing student athletes and professional athletes, including contact with athletes, contract negotiations, and required disclosures. The act authorizes an athlete agent to offer or provide money or any other thing of benefit or value to a student athlete, if it is authorized by, and is in compliance with, an official written policy of the elementary or secondary school, college, university, or other educational institution of the student athlete and the terms of the contract comply with the bylaws of the National Collegiate Athletic Association. Under existing law, an athlete agent or athlete agent’s representative or employee who violates any provision of the act is guilty of a misdemeanor, punishable by a fine of not more than $50,000, or imprisonment in a county jail not exceeding one year, or both fine and imprisonment. This bill would prohibit an athlete agent from entering any contract on behalf of an athlete who is a minor and requires the minor to appear at any event or establishment where alcoholic beverages or other intoxicating substances are sold to be consumed on the premises or where they are served, except as specified. By expanding the scope of a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

**Summary:** Existing law, the Information Practices Act of 1977, prescribes a set of requirements, prohibitions, and remedies applicable to public agencies, as defined, with regard to their collection, storage, and disclosure of personal information. This bill would, except as prescribed, prohibit data collected, received, or prepared for purposes of contact tracing from being used, maintained, or disclosed for any purpose other than facilitating contact tracing efforts. The bill would authorize a state or local health department to disclose, to the University of California or a nonprofit educational institution conducting scientific research, data collected, received, or prepared for purposes of contact tracing only if certain requirements are met, including that the request for information is approved by the Committee for the Protection of Human Subjects for the California Health and Human Services Agency or an institutional review board. The bill would prohibit a correctional officer or an officer, deputy, employee, or agent of a law enforcement agency, as defined, from conducting contact tracing, except the bill would authorize an employee of a law enforcement agency to conduct contact tracing of employees of the same law enforcement agency and would authorize a health care worker who is
not a correctional officer to conduct contact tracing in a jail or prison. The bill would require all data collected, received, or prepared for purposes of contact tracing to be deleted within 60 days, except as prescribed. This bill contains other related provisions and other existing laws.

**Summary:** Existing unemployment compensation disability law requires workers to pay contribution rates based on, among other things, wages received in employment and benefit disbursement, for payment into the Unemployment Compensation Disability Fund, a special fund in the State Treasury. That fund is continuously appropriated for the purpose of providing disability benefits and making payment of expenses in administering those provisions. This bill would expand eligibility for benefits under the paid family leave program by expanding bonding leave relating to a child’s birth to include leave for a parent who was pregnant with a child, if the child dies unexpectedly during childbirth at 37 weeks or more of pregnancy. This bill contains other existing laws.

**Summary:** The Bagley-Keene Open Meeting Act (Bagley-Keene Act), requires, with specified exceptions, that all meetings of a state body, as defined, be open and public, and all persons be permitted to attend any meeting of a state body, except as provided. The Bagley-Keene Act, among other things, requires a state body that elects to conduct a meeting or proceeding by teleconference to make the portion of the meeting that is required to be open to the public audible to the public at the location specified in the notice of the meeting. The Bagley-Keene Act requires a state body that elects to conduct a meeting or proceeding by teleconference to post agendas at all teleconference locations, identify each teleconference location in the notice and agenda of the meeting or proceeding, and requires each teleconference location to be accessible to the public. That law authorizes any meeting of a state body that is an advisory board, advisory commission, advisory committee, advisory subcommittee, or similar multimember advisory body to hold an open meeting by teleconference if the meeting complies with the requirements of the act, except as provided. Existing law requires that when a member of a multimember state advisory body participates remotely the body provide a means by which the public may remotely hear audio of the meeting or remotely observe the meeting. Existing law requires a multimember state advisory body to end or adjourn a meeting if it discovers that a required means of remote access has failed during the meeting, and, if the meeting is to adjourn and reconvene on the same day, that law requires the body to communicate, among other things, how a member of the public may hear audio of the meeting or observe the meeting. This bill would require a state body that elects to conduct a meeting or proceeding by teleconference to make the portion that is required to be open to the public both audibly and visually observable. The bill would require a state body that elects to conduct a meeting or proceeding by teleconference to post an agenda at the designated primary physical meeting location in the notice of the meeting where members of the public may physically attend the meeting and participate. The bill would extend the above requirements of meetings of multimember advisory bodies that are held by teleconference to meetings of all multimember state bodies. The bill would require a multimember state body to provide a means by which the public may both audibly and visually remotely observe a meeting if a member of that body participates remotely. The bill would further require any body that is to adjourn and reconvene a meeting on the same day to communicate how a member of the public may both audibly and visually observe the meeting. The bill would also make nonsubstantive changes to those provisions. This bill contains other existing laws.

**School facilities: design-build contracts.**

**Status:** 5/7/2021-Failed Deadline pursuant to Rule 61(a)(3). (Last location was ED. on 2/25/2021)  
(May be acted upon Jan 2021)

**Location:** 5/7/2021-A. 2 YEAR
Summary: (1) Until January 1, 2025, existing law authorizes a school district, with the approval of the governing board of the school district, to procure design-build contracts for public works projects in excess of $1,000,000, awarding the contract to either the low bid or the best value, as provided. For those projects using best value as a selection method, existing law requires competitive proposals to be evaluated by using only the criteria and selection procedures specifically identified in the request for proposals, and requires the school district, as it deems appropriate, to weigh certain minimum factors, including price of the project. This bill would authorize a school district, as an alternative to price of the project, to instead weigh as a factor the proposing design-build entity’s design cost, general conditions, overhead, and profit as a component of the project price. The bill would require a contract that is awarded based on the proposing design-build entity’s design cost, general conditions, overhead, and profit as a component of the project price, to be subject to further negotiation and amendment up to the sum of the costs of construction subcontracts awarded, and would require construction subcontracts for the design-build contract to be subject to an open book evaluation by the school district. If the school district determines the sum of the costs of the construction subcontracts exceeds the anticipated value of the project to the school district, or if any individual subcontract is unreasonable, the bill would authorize the school district to require the design-build entity to repeat a certain process in the awarding of construction subcontracts or to cancel the design-build contract with the school district. This bill contains other related provisions and other existing laws.

(Levine D) Public postsecondary education: community colleges: statewide baccalaureate degree program.

**Status:** 5/25/2021-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE)

**Location:** 9/9/2021-A. ENROLLMENT

**Summary:** Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law requires the board of governors to appoint a chief executive officer, to be known as the Chancellor of the California Community Colleges. Existing law, until July 1, 2026, authorizes the board of governors, in consultation with the California State University and the University of California, to establish a statewide baccalaureate degree pilot program. Existing law requires that program to consist of a maximum of 15 community college districts, with one baccalaureate degree pilot program each. Existing law requires those pilot programs to commence no later than the 2017–18 academic year, and requires students participating in those programs to commence the program by the beginning of the 2022–23 academic year. Existing law requires the governing board of a community college district seeking authorization to offer a pilot program to submit certain items for review by the chancellor and approval by the board of governors, including documentation of unmet workforce needs specifically related to the proposed pilot program. This bill would extend the operation of the statewide baccalaureate degree pilot program indefinitely. The bill would remove the requirements that the program consist of a maximum of 15 community college district programs and for a student to commence a program by the end of the 2022–23 academic year. The bill would require a community college district seeking approval to offer a baccalaureate degree program to provide evidence of unmet workforce needs to the Chancellor of the California Community Colleges, as provided. The bill would require, as part of the application and review process, the chancellor to ensure that a community college district is provided with 2 timelines in which to apply for a baccalaureate degree program and receive notice of approval or rejection, as specified, that only 15 baccalaureate degree programs are approved during each application period allowing for a total of 30 baccalaureate degree programs per academic year, that the total number of baccalaureate degree programs offered by a community college district does not exceed 25% of the total number of associate degree programs offered by the community college district, as specified, and that a minimum of 30 working days is taken to validate the submitted information and assess the workforce value of the proposed baccalaureate degree program, as specified. The bill would require the chancellor to consult with and seek feedback from the Chancellor of the California State University, the President of the University of California, and the President of the Association of Independent California Colleges and Universities on proposed baccalaureate degree programs, as specified. The bill would require a community college district to continue to offer an associate degree program in the same academic subject for which a baccalaureate degree program has been approved, unless the community college district has received approval from the chancellor to eliminate the associate degree program, as specified.

**Status:** 2/25/2021-Referred to Com. on REV. & TAX.

**Location:** 2/25/2021-A. REV. & TAX

**Summary:** The Personal Income Tax Law and the Corporation Tax Law, in conformity with federal income tax law, generally defines “gross income” as income from whatever source derived, except as specifically excluded, and provide various exclusions from gross income. Existing law, in conformity with the federal CARES Act, and its subsequent amendments in the Paycheck Protection Program and Health Care Enhancement Act and the Paycheck Protection Program Flexibility Act of 2020, among other things, excludes any amounts of covered loans forgiven under the CARES Act from gross income for purposes of the Personal Income Tax Law and the Corporation Tax Law. Existing law reduces the amount of any credit or deduction otherwise allowed under the Personal Income Tax and the Corporation Tax Law for any amount paid or incurred by the taxpayer upon which this exclusion is based by the amount of the exclusion allowed. This bill would adopt the provisions of the Consolidated Appropriations Act, 2021, prohibiting any reduction in tax deductions, denials of basis adjustments, and reductions in tax attributes based on the exclusion from gross income provided for any loan amount forgiven in conformity with the federal CARES Act and its subsequent amendments. This bill contains other related provisions and other existing laws.

Position: AB 962

**AB 962**  California Beverage Container Recycling and Litter Reduction Act: reusable beverage containers.

**Status:** 9/9/2021-Senate amendments concurred in. To Engrossing and Enrolling.

**Location:** 9/9/2021-A. ENROLLMENT

**Summary:** The California Beverage Container Recycling and Litter Reduction Act, which is administered by the Department of Resources Recycling and Recovery, is established to promote beverage container recycling and provides for the payment, collection, and distribution of certain payments and fees based on minimum refund values established for beverage containers. The act requires a distributor of beverage containers to pay to the department the redemption payment for every beverage container sold or transferred to a dealer for deposit into the California Beverage Container Recycling Fund. The act defines "recycling" for its purposes as the reuse or refilling of empty beverage containers, or the process of sorting, cleansing, treating, and reconstituting empty postfilled beverage containers for the purpose of using the altered form. This bill would authorize the department to authorize a processor to satisfy that cancellation requirement by washing a reusable beverage container or transferring a reusable beverage container for subsequent washing to a processor approved by the department. The bill would authorize the department to certify additional models of processors that are determined necessary to implement that provision and would require, by January 1, 2024, the Director of Resources Recycling and Recovery to adopt by regulation the requirements and standards for the certification and operation of those processors, as specified. By creating crimes relating to reusable beverage containers, the bill would impose a state-mandated local program. The bill would define "reusable beverage container" for purposes of the act to mean a glass beverage container with a refund value established pursuant to the act and that is processed by a processor for subsequent washing for refill and sale by a beverage manufacturer. This bill contains other related provisions and...
other existing laws.

Summary: Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, the University of California, under the administration of the Regents of the University of California, and the California State University, under the administration of the Trustees of the California State University, as the 3 segments of public postsecondary education in this state. Under existing law, the board of governors appoints the Chancellor of the California Community Colleges to serve as the chief executive officer of that segment, the trustees appoint the Chancellor of the California State University to serve as the chief executive officer of that segment, and the regents appoint the President of the University of California to serve as the chief executive officer of that segment. This bill would require the Office of the Chancellor of the California State University, in collaboration with the Academic Senate of the California State University, and request the University of California, to develop, by September 1, 2022, a consistent policy to award military personnel and veterans who have an official Joint Services Transcript course credit in a course taught at the campus where the student matriculates with subject matter similar, or equivalent, subject to academic and faculty review, to that of the student’s military education, training, and service. The bill would also require that each campus of the California State University, and request the University of California, to develop, by September 1, 2022, a consistent policy to award military personnel and veterans who have an official Joint Services Transcript course credit in a course taught at the campus where the student matriculates with subject matter similar, or equivalent, subject to academic and faculty review, to that of the student’s military education, training, and service. This bill contains other existing laws.

Summary: Existing law establishes the Office of Farm to Fork within the Department of Food and Agriculture, headed by the Secretary of Food and Agriculture, and requires the office, to the extent that resources are available, to work with various entities, including, among others, the agricultural industry and other organizations involved in promoting food access, to increase the amount of agricultural products available to underserved communities and schools in the state. This bill would establish the Farm to Community Food Hub Program, to be administered by the office. The bill would authorize the department to consult with outside entities who possess expertise in specified areas, including, but not limited to, the Sustainable Agriculture and Research Education Program, housed within the University of California Agriculture and Natural Resources. The bill would require the secretary to establish an advisory committee, composed as specified, for the purpose of advising the secretary with respect to their responsibilities regarding the program. This bill contains other related provisions.
provisions.

**Summary:** Existing California Constitution provisions grant the retirement board of a public employee retirement system plenary authority and fiduciary responsibility for investment of moneys and administration of the retirement fund and system. These provisions qualify this grant of powers by reserving to the Legislature the authority to prohibit investments if it is in the public interest and the prohibition satisfies standards of fiduciary care and loyalty required of a retirement board. This bill would, in addition, prohibit state trust moneys from being used to make additional or new investments or to renew existing investments in investment vehicles issued or owned by the government of Turkey, unless the government adopts a policy to acknowledge the Armenian Genocide and embark on a path of affording justice to its victims. The bill would define “state trust moneys” to mean funds administered by specified state employee retirement funds, including the Public Employees’ Retirement Fund and the Legislators’ Retirement Fund. This bill contains other existing laws.

**Summary:** Existing law requires the Instructional Quality Commission to develop and submit to the State Board of Education, on or before December 31, 2022, and the state board to adopt, modify, or revise or reject, as prescribed, on or before March 31, 2023, a model curriculum relative to (1) the Vietnamese American refugee experience, (2) the Cambodian genocide, and (3) Hmong history and cultural studies, as specified, for use in elementary schools, middle schools, and high schools. Existing law requires implementation of these provisions to be subject to the receipt of grants, donations, or other financial support from private or public sources for its purposes, including, but not limited to, an appropriation in the annual Budget Act or another statute. This bill instead would extend the timelines for the development and submission by the commission of, and the adoption, modification, or revision by the state board of, the above-described model curricula by 4 years.

**AB 1073 (Berman D)** Community colleges: students enrolled in early childhood education or child development courses: fee waivers.

**Status:** 5/25/2021-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 4/21/2021)(May be acted upon Jan 2022)

**Location:** 5/25/2021-A. 2 YEAR

**Summary:** Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law authorizes community colleges to charge students a fee of $46 per unit per semester, and also authorizes the waiver of this fee for students who meet specified criteria. This bill would require the governing board of each community college district to waive the fee requirement for any student enrolled in certain child development courses who has declared a specified child development major and who has completed and submitted either a Free Application for Federal Student Aid or a California Dream Act application. To the extent this bill would impose a new duty on a community college district, this bill would create a state-mandated local program. This bill contains other related provisions and other existing laws.

**Summary:** Existing law establishes the Employment Training Panel within the Employment Development Department. Under existing law, the panel is charged with performing various duties, including establishing a 3-year plan based on the demand of employers for trained workers, changes in the state’s economy and labor markets, and continuous reviews of the effectiveness of panel training contracts. This bill, upon appropriation by the Legislature, would require the Employment Training Panel to establish a pilot program to serve the employment training needs of small businesses. The bill would require the program to leverage the capacity of the existing statewide network of community college contract education centers operating with multiple employer contracts. The bill would require the Employment Training Panel to develop the pilot program to achieve specified purposes, including strengthening the linkages between higher education institutions and employers. This bill contains other related provisions and other existing laws.

**Summary:** The Healthy Start Support Services for Children Act requires the Superintendent of Public Instruction to award grants to local educational agencies or consortia to fund programs in qualifying schools that provide support services, which include case-managed health, mental health, social, and academic support services, to eligible pupils and their families. The act establishes the Healthy Start Support Services for Children Program Council, specifies the members of the council, and provides for the duties of the council, which include assisting a local educational agency or consortium with local technical assistance, as provided. The act authorizes a local educational agency or consortium to contract with other entities, including county agencies and private nonprofit organizations or private partners, to provide services to pupils and their families. This bill would establish the Healthy Start: Toxic Stress and Trauma Resiliency for Children Program, under which the Superintendent would be required to award grants to qualifying entities, defined to include schools, local educational agencies, and other entities that meet specified criteria, to pay the costs of planning and operating programs that provide support services to pupils and their families, as prescribed. The bill would require grants to be awarded for no more than $500,000 each and to be matched by the grantee with $1 for each $2 awarded, as specified. This bill contains other related provisions.

**Summary:** The federal Telecommunications Act of 1996 establishes a program for the regulation of telecommunications to attain the goal of local competition, while implementing specific, predictable, and sufficient federal and state mechanisms to preserve and advance universal service, consistent with certain universal service principles. The universal service principles include the principle that consumers in all regions of the nation, including low-income consumers and those in rural, insular, and high-cost areas, should have access to telecommunications and information services, including interexchange services and advanced telecommunications and information services, that are reasonably comparable to those services provided in urban areas and that are available at rates that are reasonably comparable to rates charged for similar services in urban areas. This bill would establish the California Connect Fund in the State Treasury, subject to the conditions and restrictions applicable to the existing universal service funds described above. The bill would, until January 1, 2031, require the commission to develop, implement, and administer the California Connect Program to ensure that high-speed broadband service is available to every household in the state at affordable rates. The bill would require the commission, on or before January 1, 2023, to adopt rules to implement the program, including rules that establish eligibility criteria for the program and the amount of, and requirements for, subsidies under the program. The bill would require the commission to perform outreach to increase program participation, to coordinate with relevant state agencies and departments to increase program participation and increase the efficacy of enrollment, and to collect data on existing affordable internet service plans that may meet program criteria. The bill would require the commission to annually report to the Legislature on the status of the program, including its success and any recommendations for modifications to the program, as provided. This bill contains other related provisions and other existing laws.

**Summary:** Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Under existing law, community college districts throughout the state have established campuses where they provide instruction to students. Existing law establishes a system through which state funds are apportioned to community college districts based on specified formulas. A provision of existing law identifies the noncredit community college courses and classes that are eligible for state apportionment funding. This bill would provide that supervised tutoring for basic skills, and for degree-applicable and transfer-level courses, as authorized pursuant to regulations adopted by the board of governors by July 31, 2022, is eligible for state apportionment funding.

**Summary:** Existing law establishes the University of California (UC), under the administration of the Regents of the University of California, as one of the segments of public postsecondary education in the state. The Donahoe Higher Education Act sets forth the missions and functions of the segments of postsecondary education in this state. Provisions of the act apply to UC only to the extent that the regents act, by appropriate resolution, to make those provisions applicable. A provision of the act expresses the intent of the Legislature that, in determining the standards and criteria for undergraduate and graduate admissions to UC and the California State University, the governing bodies of the segments, among other things, develop processes that strive to be fair and are easily understandable. This bill would request the regents to adopt a policy directing the Office of the President of the University of California to establish systemwide protocols for admissions of students no later than February 1, 2022, to become effective for the fall 2023 admission cycle of the university, beginning August 1, 2022. This bill contains other related provisions and other existing laws.
AB 1216
(Salas D) California Community Colleges: governing board membership: student members.
Status: 5/25/2021-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/12/2021)(May be acted upon Jan 2022)
Location: 5/25/2021-A. 2 YEAR

Summary: Existing law establishes the California Community Colleges under the administration of the Board of Governors of the California Community Colleges. Existing law requires the governing board of each community college district to order the inclusion within the membership of the governing board of one or more nonvoting students, who are enrolled in a community college of the district, and chosen by students enrolled in the community colleges of the district, in accordance with procedures prescribed by the governing board. This bill would give each student member of the governing board of a community college district an advisory vote, as specified. The bill would also make conforming changes. This bill contains other related provisions and other existing laws.

AB 1256
(Quirk D) Employment discrimination: cannabis screening test.
Status: 5/7/2021-Failed Deadline pursuant to Rule 61(a)(3). (Last location was L. & E. on 3/4/2021) (May be acted upon Jan 2021)
Location: 5/7/2021-A. 2 YEAR

Summary: Existing law establishes various personal rights and makes unlawful certain employment practices that discriminate on certain protected bases. Existing law makes a person who engages in certain prohibited conduct liable in a cause of action by the aggrieved person, as specified. This bill would prohibit an employer from discriminating against a person in hiring, termination, or any term or condition of employment because a drug screening test has found the person to have nonpsychoactive cannabis metabolites in their urine, hair, or bodily fluids. The bill would exempt from its provisions an employer that is required to conduct testing for nonpsychoactive cannabis metabolites by federal law or regulations, or that would lose a monetary or licensing-related benefit for failing to conduct testing for nonpsychoactive cannabis metabolites. The bill would also exempt employment in the building and construction trades. This bill contains other related provisions.

AB 1290
(Lee D) Student Aid Commission.
Status: 7/14/2021-Failed Deadline pursuant to Rule 61(a)(11). (Last location was ED. on 5/12/2021) (May be acted upon Jan 2022)
Location: 7/14/2021-S. 2 YEAR

Summary: Existing law establishes the Student Aid Commission as the primary state agency for the administration of state-authorized student financial aid programs available to students attending all segments of postsecondary education. Existing law requires the commission to include 2 members, appointed by the Governor, who are students enrolled in a California postsecondary educational institution. This bill would instead require the commission to include 4 student members, one from each of the following: the University of California, the California State University, the California Community Colleges, and a California private postsecondary educational institution.

AB 1326
(Arambula D) Public social services: county liaison for higher education.
Location: 9/8/2021-A. ENROLLMENT

Summary: Existing law provides for the protection, care, and assistance for the people of the state, and the promotion of the welfare and happiness of all people in the state by providing appropriate aid and services to the needy and distressed. Under existing law, counties are responsible for administering the various public social services programs and related services, including, but not
limited to, CalFresh and general assistance benefits. This bill would require a county human services agency to designate at least one employee as a staff liaison to serve as a point of contact for academic counselors and other professional staff at a campus of an institution of public higher education located within the county. The bill would require any disclosure or sharing of personal information under the bill to be made in compliance with applicable state and federal confidentiality laws. The bill would require a county human services agency, with input from the public institutions of higher learning in the county, to develop protocols for engagement between the staff liaison and a campus of an institution of public higher education located within the county and would encourage those entities to consult with specified stakeholders in the development of those protocols. The bill would authorize the State Department of Social Services to implement its provisions by all-county letters or similar instructions. By requiring counties to perform new duties, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

**Summary:** Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law establishes community college districts throughout the state that employ faculty and provide instruction at the community college campuses they operate. Existing law requires, at least 2 business days before an academic employee of a community college is placed on involuntary paid administrative leave related to an allegation or allegations of misconduct, that the employee be provided with the general nature of the accusations related to the proposed involuntary paid administrative leave and notification in writing of the general nature of the allegation or allegations upon which the decision to place the employee on involuntary paid administrative leave is based, as specified. Existing law provides that the employer should complete its investigation of the accused misconduct and initiate disciplinary proceedings against, or reinstate, the academic employee within 90 days of placing the employee on involuntary paid administrative leave. This bill would specify that the 90-day period for the employer to complete its investigation of the accused misconduct and initiate disciplinary proceedings against, or reinstate, the academic employee is a 90-working-day period and would provide that the period of paid administrative leave may be extended by agreement of the parties, not to exceed 30 calendar days.

Page 33/59
Summary: Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. The board of governors appoints the Chancellor of the California Community Colleges to serve as the chief executive officer of the segment. The California Community Colleges comprises 116 campuses operated by community college districts throughout the state. This bill would express findings and declarations of the Legislature relating to the need in this state for well-trained providers of care for individuals with developmental disabilities. The bill would require the chancellor’s office to develop a model curriculum for a certification program for providers of care for individuals with developmental disabilities, designed to be offered at community college campuses where there is sufficient student interest and a properly qualified faculty to sustain such a program. The bill would require the chancellor’s office, in developing the model curriculum, to consult with individuals and organizations with expertise in the provision of care for individuals with developmental disabilities and the training of practitioners for that task.

Summary: (1) Existing law establishes the California State University, under the administration of the Trustees of the California State University, the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, and the University of California, under the administration of the Regents of the University of California, as the segments of public postsecondary education in this state. This bill would require the trustees and the board of governors, and request the regents, to: (1) identify the students in their respective systems who, due to the COVID-19 pandemic, were obliged to stay away from the campuses at which they were enrolled during the 2019–20 and 2020–21 academic years; (2) ascertain the amounts of campus fees collected from each of the students identified under subdivision (a), and calculate from those amounts of campus fees, the amounts from which the students received no value because of their enforced absence from campus and which should therefore be refunded to the students; and (3) submit the total amounts ascertained and calculated to the Department of Finance and the Joint Legislative Budget Committee. This bill contains other related provisions and other existing laws.

Summary: (1) Existing law establishes the Cal Grant A and B Entitlement awards, the California Community College Transfer Entitlement awards, the Competitive Cal Grant A and B awards, the Cal Grant C awards, and the Cal Grant T awards under the administration of the Student Aid Commission, and establishes eligibility requirements for these awards for participating students attending qualifying institutions. This bill would enact the Cal Grant Reform Act, which would revise and recast the provisions establishing and governing the existing Cal Grant Program into a new Cal Grant Program. The bill would specify that the Cal Grant Reform Act would only become operative upon the appropriation by the Legislature, in the annual Budget Act or another statute, of sufficient funds to fully implement its provisions. The bill would authorize the commission to adopt emergency regulations to implement the Cal Grant Reform Act. The new Cal Grant Program would also include a Cal Grant 2 Program and a Cal Grant 4 Program, with eligibility requirements as specified. This bill contains other related provisions and other existing laws.

Summary: Existing law requires a 3-part test, commonly known as the “ABC” test, to determine if workers are employees or independent contractors for purposes of the Labor Code, the Unemployment Insurance Code, and the wage orders of the Industrial Welfare Commission. Under the

Page 34/59
ABC test, a person providing labor or services for remuneration is considered an employee rather than an independent contractor unless the hiring entity demonstrates that the person is free from the control and direction of the hiring entity in connection with the performance of the work, the person performs work that is outside the usual course of the hiring entity’s business, and the person is customarily engaged in an independently established trade, occupation, or business. Existing law charges the Labor Commissioner with the enforcement of labor laws, including worker classification. This bill would extend the inoperative date of this exemption for licensed manicurists to January 1, 2025. This bill contains other related provisions and other existing laws.

**Summary:** Existing federal law allows a New Markets Tax Credit to a taxpayer holding a qualified equity investment in an amount equal to the applicable percentage of the amount paid to the qualified community development entity for investment in low-income communities. The state Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws. This bill would allow a California New Markets Tax Credit under the Personal Income Tax Law and the Corporation Tax Law, in modified conformity with the federal New Markets Tax Credit, for taxable years beginning on or after January 1, 2023, and before January 1, 2028, in a specified amount for investments in low-income communities. The bill would limit the total annual amount of credit allowed pursuant to these provisions to $100,000,000 per calendar year. The bill would impose specified duties on the Governor’s Office of Business and Economic Development (GO-Biz) with regard to the application for, and allocation of, the credit. The bill would require GO-Biz to establish and impose reasonable fees upon entities that apply for the allocation of the credit, to be deposited in the California New Markets Tax Credit Account established by the bill within the California Economic Development Fund, and use the revenue, upon annual appropriation by the Legislature, to defray the cost of applying to and administering the credits, as specified. The bill would only authorize the allocation for these credits for those taxable years for which moneys are appropriated to GO-Biz to administer these credits for those taxable years. This bill contains other related provisions and other existing laws.

**Summary:** The Planning and Zoning Law provides for the creation of accessory dwelling units by local ordinance, or, if a local agency has not adopted an ordinance, by ministerial approval, in accordance with specified standards and conditions. This bill, among other things, would require a proposed housing development containing no more than 2 residential units within a single-family residential zone to be considered ministerially, without discretionary review or hearing, if the proposed housing development meets certain requirements, including, but not limited to, that the proposed housing development would not require demolition or alteration of housing that is subject to a recorded covenant, ordinance, or law that restricts rents to levels affordable to persons and families of moderate, low, or very low income, that the proposed housing development does not allow for the demolition of more than 25% of the existing exterior structural walls, except as provided, and that the development is not located within a historic district, is not included on the State Historic Resources Inventory, or is not within a site that is legally designated or listed as a city or county landmark or historic property or district. This bill contains other related provisions and other existing laws.

**SB 10 (Wiener D) Planning and zoning: housing development: density.**

</thead>
<tbody>
<tr>
<td>Watch</td>
<td>TB</td>
<td>Housing</td>
</tr>
</tbody>
</table>

**Summary:** The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. Existing law requires an attached housing development to be a permitted use, not subject to a conditional use permit, on any parcel zoned for multifamily housing if at least certain percentages of the units are available at affordable housing costs to very low income, lower income, and moderate-income households for at least 30 years and if the project meets specified conditions relating to location and being subject to a discretionary decision other than a conditional use permit. Existing law provides for various incentives intended to facilitate and expedite the construction of affordable housing. This bill would, notwithstanding any local restrictions on adopting zoning ordinances, authorize a local government to adopt an ordinance to zone any parcel for up to 10 units of residential density per parcel, at a height specified in the ordinance, if the parcel is located in a transit-rich area or an urban infill site, as those terms are defined. The bill would prohibit a local government from adopting an ordinance pursuant to these provisions on or after January 1, 2029. The bill would specify that an ordinance adopted under these provisions, and any resolution to amend the jurisdiction's General Plan, ordinance, or other local regulation adopted to be consistent with that ordinance, is not a project for purposes of the California Environmental Quality Act. The bill would prohibit an ordinance adopted under these provisions from superceding a local restriction enacted or approved by a local initiative that designates publicly owned land as open-space land or for park or recreational purposes. This bill
SB 14  
( Portantino D )  Pupil health: school employee and pupil training: excused absences: youth mental and behavioral health.

**Location:** 9/10/2021-S. ENROLLMENT

**Summary:** (1) Existing law, notwithstanding the requirement that each person between 6 and 18 years of age who is not otherwise exempted is subject to compulsory full-time education, requires a pupil to be excused from school for specified types of absences, including, among others, if the absence was due to the pupil's illness. This bill would include, within the meaning of an absence due to a pupil's illness, an absence for the benefit of the pupil's mental or behavioral health. The bill would require the State Board of Education to update its illness verification regulations, as necessary, to account for including a pupil's absence for the benefit of the pupil's mental or behavioral health within the scope of this provision. To the extent this bill would impose additional duties on local educational entities, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

SB 20  
( Dodd D )  Student nutrition: eligibility for CalFresh benefits.

**Status:** 6/4/2021-Failed Deadline pursuant to Rule 61(a)(8). (Last location was INACTIVE FILE on 5/28/2021)(May be acted upon Jan 2022)

**Location:** 6/4/2021-S. 2 YEAR

**Summary:** (1) Existing federal law provides for the Supplemental Nutrition Assistance Program (SNAP), known in California as CalFresh, formerly the Food Stamp Program, under which supplemental nutrition assistance benefits allocated to the state by the federal government are distributed to eligible individuals by each county. Under existing law, households are eligible to receive CalFresh benefits to the extent permitted by federal law. Existing federal law provides that students who are enrolled in college or other institutions of higher education at least 1/2 time are not eligible for SNAP benefits unless they meet one of several specified exemptions, including participating in specified employment training programs. This bill would additionally require the commission, to the extent that it possesses pertinent information, to provide written notice to students who qualify for a waiver of the community college enrollment fee that they qualify, or may qualify, for benefits under the CalFresh program. The bill would also require the commission to confer with stakeholders on at least an annual basis to implement this provision and to continuously improve the process of securing CalFresh benefits for eligible students. This bill contains other related provisions and other existing laws.

**Summary:** Existing law prohibits California postsecondary educational institutions except community colleges, and every athletic association, conference, or other group or organization with authority over intercollegiate athletics, from providing a prospective intercollegiate student athlete with compensation in relation to the athlete’s name, image, or likeness, or preventing a student participating in intercollegiate athletics from earning compensation as a result of the use of the student’s name, image, or likeness or obtaining professional representation relating to the student’s participation in intercollegiate athletics. Existing law prohibits an athletic association, conference, or other group or organization with authority over intercollegiate athletics from preventing a postsecondary educational institution other than a community college from participating in intercollegiate athletics as a result of the compensation of a student athlete for the use of the student’s name, image, or likeness. Existing law prohibits the revocation of a student’s scholarship as a result of earning compensation or obtaining legal representation as authorized under these provisions. Existing law prohibits a student athlete from entering into a contract providing compensation to the athlete for use of the athlete’s name, image, or likeness if a provision of the contract is in conflict with a provision of the athlete’s team contract. Existing law prohibits a team contract from preventing a student athlete from using the athlete’s name, image, or likeness for a commercial purpose when the athlete is not engaged in official team activities, as specified. Existing law makes these provisions operative on January 1, 2023. This bill, the Fair Pay to Play Act, would make these provisions operative on September 1, 2021, and would make them applicable to the California Community Colleges. The bill would prohibit California postsecondary educational institutions and every athletic association, conference, or other group or organization with authority over intercollegiate athletics from providing a prospective intercollegiate student athlete with compensation in relation to the athlete’s athletic reputation, or preventing a student participating in intercollegiate athletics from earning compensation as a result of the use of the student’s athletic reputation. The bill would prohibit an athletic association, conference, or other group or organization with authority over intercollegiate athletics from preventing a postsecondary educational institution from participating in intercollegiate athletics as a result of the compensation of a student athlete for the use of the student’s athletic reputation. The bill would prohibit the revocation of a student’s scholarship as a result of earning compensation for the use of the student’s athletic reputation. **Summary:** Existing law establishes the State Air Resources Board as the state agency responsible for monitoring and regulating sources emitting greenhouse gases. Existing law, the California Global Warming Solutions Act of 2006, requires the state board to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions. This bill would require, no later than July 1, 2023, the Natural Resources Agency, in coordination with the California Environmental Protection Agency, the state board, the Department of Food and Agriculture, and other relevant state agencies, to establish the Natural and Working Lands Climate Smart Strategy and, in developing the strategy, to create a framework to advance the state’s climate goals. The bill would require the state board, as part of its scoping plan, to establish specified carbon dioxide removal targets for 2030 and beyond. This bill contains other related provisions and other existing laws.

**Summary:** Existing law, the Digital Infrastructure and Video Competition Act of 2006, establishes a procedure for the issuance of state franchises for the provision of video service, defined to include
cable service and open-video systems, administered by the Public Utilities Commission. The act provides that the holder of a state franchise is not a public utility as a result of providing video service and does not provide the commission with authority to regulate the rates, terms, and conditions of video service except as explicitly set forth in the act. The act requires a franchise holder to annually report to the commission regarding the availability of and subscriptions to broadband and video service, as specified. This bill would repeal the requirement that franchise holders annually report regarding the availability of and subscriptions to broadband and video service. The bill would instead require the commission to collect granular data on the actual locations served by franchise holders, adopt customer service requirements for franchise holders, and adjudicate any customer complaints. The bill would prohibit the commission from publicly disclosing any personally identifiable information collected pursuant to these requirements. This bill contains other related provisions and other existing laws.

**SB 87 (Caballero D)**  
**Status:** 2/23/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 7, Statutes of 2021.  
**Location:** 2/23/2021-S. CHAPTERED

**Summary:** (1) Existing law establishes the Office of Small Business Advocate (CalOSBA) within the Governor’s Office of Business and Economic Development, also known as GO-Biz, to advocate for causes of small business and to provide small businesses with the information they need to survive in the marketplace. Existing law prescribes the duties and functions of the Small Business Advocate, who is also the Director of the Office of Small Business Advocate. This bill would establish the California Small Business COVID-19 Relief Grant Program within CalOSBA to assist qualified small businesses affected by COVID-19 through administration of grants. The bill would require CalOSBA to provide grants to qualified small businesses, as defined, in accordance with specified criteria, including geographic distribution based on COVID-19 restrictions, industry sectors most impacted by the pandemic, and underserved small businesses. The bill would repeal these provisions on January 1, 2024. This bill contains other related provisions and other existing laws.

One-time stimulus payment: delinquent accounts: Earned Income Tax Credit: statements.  
**Status:** 2/23/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 8, Statutes of 2021.  
**Location:** 2/23/2021-S. CHAPTERED

**Summary:** (1) Existing law authorizes various forms of relief for low-income Californians, including certain tax benefits and public assistance programs. Existing law also provides various forms of assistance to those Californians that have been impacted by the COVID-19 emergency. This bill would authorize the Controller to make a one-time Golden State Stimulus payment to each qualified recipient, as defined, of an applicable amount, as specified, in a form and manner determined by the Franchise Tax Board, in order to provide relief to low-income Californians impacted by the COVID-19 emergency. This bill would create the Golden State Stimulus Emergency Fund, a new fund in the State Treasury, for the purposes of making these one-time payments, and would continuously appropriate that fund. This bill contains other related provisions and other existing laws.

Elections: ballot label.  
**Status:** 4/30/2021-Failed Deadline pursuant to Rule 61(a)(2). (Last location was E. & C.A. on 1/28/2021)(May be acted upon Jan 2022)  
**Location:** 4/30/2021-S. 2 YEAR

Page 40/59
Summary: Existing law defines the ballot label as the portion of the ballot containing the names of the candidates or a statement of a measure. For statewide measures, existing law requires the Attorney General to prepare a condensed version of the ballot title and summary, including the fiscal impact summary prepared by the Legislative Analyst that is printed in the state voter information guide. This bill would additionally require the ballot label for statewide measures, and, at the option of a county, the ballot label or similar description on the ballot of county, city, district, and school district measures, to include a listing of nonprofit organizations, businesses, or individuals taken from the signers of ballot arguments printed in the voter information guide that support and oppose the measure or from the signers of the rebuttal arguments to the arguments that support and oppose the measure, as specified. The bill would require a nonprofit organization, business, or individual to meet certain criteria before being listed on the ballot label or similar description of the measure on the ballot. The bill would require the signers of the ballot arguments to submit the lists of supporters and opponents to the Secretary of State or the respective elections official and would require the Secretary of State or respective elections official to provide those lists to county elections officials as part of the ballot label. The bill would make conforming changes and related findings and declarations. This bill contains other related provisions and other existing laws.

**SB 91**
(Committee on Budget and Fiscal Review) COVID-19 relief: tenancy: federal rental assistance.
Location: 1/29/2021-S. CHAPTERED

Summary: (1) Existing law prohibits a landlord from interrupting or terminating utility service furnished to a tenant with the intent to terminate the occupancy of the tenant, and imposes specified penalties on a landlord who violates that prohibition. Existing law, until February 1, 2021, imposes additional damages in an amount of at least $1,000, but not more than $2,500, on a landlord that violates that prohibition, if the tenant has provided a declaration of COVID-19 financial distress, as specified. The bill would extend the imposition of those additional damages from February 1, 2021, to July 1, 2021. This bill contains other related provisions and other existing laws.

**SB 92**
(Committee on Budget and Fiscal Review) Juvenile Justice.
Status: 5/14/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 18, Statutes of 2021.
Location: 5/13/2021-S. CHAPTERED

Summary: Existing law establishes the Division of Juvenile Justice within the Department of Corrections and Rehabilitation to operate facilities to house specified juvenile offenders. Existing law, commencing July 1, 2021, prohibits further commitment of wards to the Division of Juvenile Justice unless the ward is otherwise eligible to be committed to the division and a motion was filed to transfer the ward from the juvenile court to a court of criminal jurisdiction. Existing law requires that all wards committed to the division prior to July 1, 2021, remain within the custody of the division until the ward is discharged, released, or transferred. This bill would require a court to consider, as an alternative to commitment to the Division of Juvenile Justice, placement in local programs established as a result of the realignment of wards from the Division of Juvenile Justice to county-based custody. This bill would require the Division of Juvenile Justice to close on June 30, 2023, and would require the Director of the Division of Juvenile Justice, by January 1, 2022, to develop a plan for the transfer of jurisdiction of youth remaining at the Division of Juvenile Justice who are unable to discharge or otherwise move pursuant to law prior to the division’s final closure on June 30, 2023. The bill would make various other technical and conforming changes to implement the realignment of wards from the Division of Juvenile Justice to county-based custody. This bill contains other related provisions and other existing laws.

**SB 93**
Location: 4/15/2021-S. CHAPTERED
**Summary:** Existing law governs employment relations, defines the contract of employment, and establishes the obligations of employers to their employees. This bill would, until December 31, 2024, require an employer, as defined, to offer its laid-off employees specified information about job positions that become available for which the laid-off employees are qualified, and to offer positions to those laid-off employees based on a preference system, in accordance with specified timelines and procedures. The bill would define the term “laid-off employee” to mean any employee who was employed by the employer for 6 months or more in the 12 months preceding January 1, 2020, and whose most recent separation from active service was due to a reason related to the COVID-19 pandemic, including a public health directive, government shutdown order, lack of business, a reduction in force, or other economic, nondisciplinary reason related to the COVID-19 pandemic. The bill would require an employer to keep records for 3 years, including records of communications regarding the offers. The bill would require an employer that declines to recall a laid-off employee on the grounds of lack of qualifications and instead hires someone other than a laid-off employee to provide the laid-off employee a written notice within 30 days including specified reasons for the decision, and other information on those hired. This bill contains other related provisions.

**SB 94**

(Skinner D) **Alcoholic beverage control: barbering and cosmetology: license renewal fees:** waiver.

**Status:** 2/23/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 9, Statutes of 2021.

**Location:** 2/23/2021-S. CHAPTERED

**Summary:** Existing law, the Barbering and Cosmetology Act, provides for the licensure and regulation of the practices of barbering, cosmetology, and electrolysis by the State Board of Barbering and Cosmetology. Existing law requires licenses issued by the board to expire after 2 years, except as specified. Existing law requires the board to set various fees, including renewal fees, in amounts necessary to cover the expenses of the board in performing its duties under the Barbering and Cosmetology Act. Existing law requires all fees collected to be paid into the State Treasury and to be credited to the Barbering and Cosmetology Contingent Fund to be available upon appropriation, as specified. This bill, until January 1, 2023, would prohibit the board from seeking to collect, and exempt a licensee from paying, renewal fees for a license expiring on or after January 1, 2021, and before January 1, 2023. If a licensee pays that renewal fee, the bill would prohibit the board from returning or refunding the payment, and would exempt the licensee from paying, and prohibit the board from collecting, the renewal fee for the subsequent renewal period. The bill would repeal these provisions on January 1, 2025. This bill contains other related provisions and other existing laws.

**SB 103**

(Dodd D) **Uniform Faithful Presidential Electors Act.**

**Status:** 6/17/2021-Re-referred to Com. on RLS. pursuant to Assembly Rule 96.

**Location:** 6/17/2021-A. RLS.

**Summary:** Existing law provides for the nomination of electors of President and Vice President of the United States by political parties, and provides for electors who desire to be write-in candidates for presidential electors pledged to a particular candidate for President or Vice President to file a declaration of write-in candidacy. Existing law requires the electors chosen by the voters at each United States presidential election to assemble in the State Capitol in the afternoon on the first Monday after the second Wednesday in December next following their election and cast electoral ballots for the President and the Vice President of the United States who are candidates of the political party that nominated the electors, if the candidates are alive. Existing law provides that an elector who willfully neglects or refuses to perform these duties, or who knowingly and fraudulently acts in violation or contravention of them, is guilty of a crime punishable by a fine, imprisonment, or both a fine and imprisonment, as specified. Existing law provides that an elector who willfully neglects or refuses to perform these duties, or who knowingly and fraudulently acts in violation or contravention of them, is guilty of a crime punishable by a fine, imprisonment, or both a fine and imprisonment, as specified. Existing law provides that if an elector is dead or absent on the day of the United States presidential election to assemble in the State Capitol, as specified. This bill would enact the Uniform Faithful Presidential Electors Act. The bill would require each political party and each group of electors pledged to a presidential and vice presidential candidate who qualifies for the ballot by a means other than political party nomination to specify alternate electors in addition to their elector nominees. The bill would require each elector and alternate elector to execute a pledge pursuant to which they promise to cast their electoral ballots for the presidential and vice presidential candidates to whom they are pledged or who are the candidates...
of the political party that nominated them, and would provide that those pledges are transferred to successor candidates who are nominated, as specified, if a candidate dies or withdraws as a candidate before the meeting of electors. The bill would provide that an elector who casts the elector’s ballots in violation of the elector’s pledge automatically vacates the elector’s position, and specifies procedures for filling the vacant position with a substitute elector. The bill would require the Secretary of State to preside over the meeting of electors, examine and accept the ballots of the electors, and prepare and transmit a certificate of the vote to the President of the United States Senate and other entities, as specified. The bill would make the criminal penalties described above inapplicable to provisions regarding presidential electors. The bill would extend the compensation described above to alternate electors. The bill would make conforming changes.

**Summary:** The Personal Income Tax Law, in modified conformity with federal law, generally imposes a tax on the income of residents in the state, as specified, and allows various credits against the taxes imposed by that law. The Personal Income Tax Law also imposes an annual tax on every limited partnership, limited liability partnership, and limited liability company doing business in this state, as specified, in an amount equal to the minimum franchise tax. The Corporation Tax Law imposes an annual tax on “S” corporations at a rate of 1.5% of its net income, or if greater, the minimum franchise tax, as specified. This bill, for taxable years beginning on or after January 1, 2021, and before January 1, 2026, would authorize a partnership or “S” corporation that meets certain other requirements to elect to pay an elective tax at a rate based on its net income, as specified, for the taxable year. The bill would authorize the Franchise Tax Board to adopt regulations to implement the elective tax and exempt those regulations from the rulemaking provisions of the Administrative Procedure Act. The bill, for taxable years beginning on or after January 1, 2021, and before January 1, 2026, would allow a credit against the personal income tax to a taxpayer, other than a partnership, that is a partner, shareholder, or member of an entity that elects to pay the elective tax authorized by the bill, in an amount equal to a specified percentage of the partner’s, shareholder’s, or member’s pro rata share or distributive share, as applicable, of income subject to the elective tax paid by the entity. The bill would also provide findings to comply with the additional information requirement for any bill authorizing a new tax expenditure. This bill contains other existing laws.

**Summary:** Existing law requires the driver of any vehicle, upon meeting or overtaking any schoolbus equipped with required signs that is stopped for the purpose of loading or unloading any schoolchildren and displaying a flashing red light signal and stop signal arm, if equipped with a stop signal arm, to bring the vehicle to a stop immediately before passing the schoolbus and to not proceed past the schoolbus until the flashing red light signal and stop signal arm cease operation. A violation of these provisions is a crime. This bill would authorize a school district to install and operate an automated video traffic enforcement system, as defined, for the purpose of enforcing the prohibition described above. The bill would allow school districts to contract with private vendors for the equipment, operation, and maintenance of an automated video traffic enforcement system, under certain circumstances, and create working agreements with local jurisdictions and local law enforcement. The bill would require the video enforcement system images to capture only the vehicle make and model, color, and license plate displayed, and not any person in the vehicle or any other vehicles or persons in the vicinity of the vehicle. The bill would make any information, image, or other data captured or generated by the automated video enforcement system confidential, and, unless demanded by court order, available only to the law enforcement agency or offender for limited purposes. The bill would require additional signage on schoolbuses relative to the video enforcement system. The bill would prohibit a school district from using automated schoolbus video enforcement systems or information gathered from those systems for any purpose other than those authorized by these provisions and would specifically prohibit the use of video or images captured by a system for employee surveillance or discipline. The bill would allow the State Board of Education to adopt standards, rules, and regulations to address privacy concerns arising from the use of an automated
video traffic enforcement system. The bill would require a school district that operates an automated video traffic enforcement system to provide notice to people in the district and to send warning letters in lieu of citations for violations captured by the system during the first 90 days. The bill would allow for some reduced penalties when a violation was captured by an automated video traffic enforcement system. This bill contains other related provisions and other existing laws.

SB 112  
(Skinner D)  
Status: 6/9/2021-From committee with author's amendments. Read second time and amended. Referred to Com. on B. & F.R.  
Location: 1/11/2021-S. BUDGET & F.R.  
Summary: This bill would make appropriations for the support of state government for the 2021-22 fiscal year. This bill contains other related provisions.

SB 205  
(Leyva D)  
School and community college employees: absences due to illness or accident.  
Status: 6/4/2021-Failed Deadline pursuant to Rule 61(a)(8). (Last location was INACTIVE FILE on 6/3/2021)(May be acted upon Jan 2022)  
Location: 6/4/2021-S. 2 YEAR  
Summary: Existing law requires a certificated or classified school employee, and an academic or classified community college employee, who exhausts all available sick leave and continues to be absent from duties on account of illness or accident for an additional period of 5 months to receive during those 5 months either (1) the difference between the employee's salary and the sum that is actually paid, or would have been paid, to a substitute employee employed to fill the position during the employee's absence, or (2) at least 50% of the employee's regular salary during the period of the absence. This bill instead would require a certificated or classified school employee, and an academic or classified community college employee, who exhausts all available sick leave and continues to be absent from duties on account of illness or accident for an additional period of 5 months to receive the employee's full salary during those 5 months. The bill would make numerous related conforming and clarifying changes.

SB 219  
(McGuire D)  
Property taxation: delinquent penalties and costs: cancellation: public health orders.  
Location: 7/23/2021-S. CHAPTERED  
Summary: Existing property tax law requires the county tax collector to collect all property taxes and provides for the payment of taxes on the secured roll in 2 installments, which are due and payable on November 1 and February 1, respectively. Under existing property tax law, the first installment becomes delinquent if unpaid on December 10, and the 2nd installment becomes delinquent on April 10, at which point a delinquent penalty of 10% attaches to the applicable installment. Existing property tax law authorizes a county auditor or tax collector to cancel any penalty, costs, or other charges resulting from tax delinquency if the auditor or tax collector finds, among other reasons, that the failure to make a timely payment is due to reasonable cause and circumstances beyond the taxpayer’s control and occurred notwithstanding the exercise of ordinary care in the absence of willful neglect, as provided. This bill would additionally authorize the auditor or the tax collector to cancel any penalty, costs, or other charges resulting from tax delinquency upon a finding that failure to make a timely payment is due to a documented hardship, as determined by the tax collector, arising from a shelter-in-place order, as defined, if the principal payment for the proper amount of tax due is paid no later than June 30 of the fiscal year in which the payment first became delinquent. By increasing the duties of local agencies, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: Under existing law, the Medical Practice Act, certain procedures or treatments constitute unprofessional conduct, including, among others, the prescribing, dispensing, administering, or furnishing of liquid silicone for the purpose of injecting it into a human breast or mammary. Any violation of the law relating to enforcement of the Medical Practice Act is a misdemeanor, as specified. This bill would prohibit a physician and surgeon from performing certain sex organ modification procedures on an individual born with variations in their physical sex characteristics who is under 12 years of age unless the procedure is a surgery required to address an immediate risk of physical harm, as specified. The bill would make any violation of these provisions subject to disciplinary action by the board, but not criminal prosecution.

Summary: (1) Existing law establishes the California State University, the California Community Colleges, and the University of California as the 3 segments of public postsecondary education in this state. Existing law requires the California State University and each community college district, and requests the University of California, with respect to each campus in their respective jurisdictions that administers a priority enrollment system, to grant priority in that system to certain foster youth or former foster youth whose dependency was established or continued by the court on or after the youth’s 16th birthday and to certain homeless youth and former homeless youth. This bill would extend this requirement and request for enrollment priority for certain foster youth or former foster youth to those whose dependency was established or continued by a court of competent jurisdiction, including a tribal court, on or after the youth’s 13th birthday. The bill would authorize a representative of a tribe or tribal organization to verify the homeless status of an American Indian student who is a homeless youth or former homeless youth, as specified. To the extent that the bill would impose duties on community college districts, it would constitute a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law authorizes a health care service plan or health insurer to contract with a provider for alternative rates of payment. This bill would require a health care service plan or health insurer, but not a Medi-Cal managed care plan, to reimburse contracting health care providers for their business expenses to prevent the spread of respiratory-transmitted infectious diseases causing public health emergencies declared on or after January 1, 2022. Because a willful violation of the bill’s requirements relative to health care service plans would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: (1) The equal protection clause of the California Constitution requires that state laws and regulations that classify on the basis of political affiliation must be justified by compelling state interests. This bill would prohibit a school district from adopting, maintaining, or using a policy that limits a student’s access to an educational activity or resource, or provides a financial or other benefit to a club, group, or association, on the basis of political affiliation of the student’s parent or guardian. The bill would authorize the attorney general to request the legislative analyst to conduct an investigation into the enforcement of the bill’s requirements and report to the Senate Education Committee and the Assembly Education Committee.

Summary: Existing law requires the state Board of Education to adopt rules that would make the testing of students in grades six through twelve voluntary. The bill would provide that a school district may adopt a policy under which a school or classroom administrator would not be required to enroll a student in a required subject or test who specifically requests not to do so, if the administrator determines that the student is meeting the requirements of the subject or test. The bill would require the board to report to the Senate Education Committee and the Assembly Education Committee a list of any policies adopted pursuant to this provision.

**Summary:** Existing law generally regulates the sale and transfer of firearms, including, among other things, requiring transactions of firearms to be completed through a licensed firearms dealer. Existing law generally makes a violation of the requirements relating to the sale, lease, or transfer of a firearm a misdemeanor. This bill would prohibit an officer, employee, operator, lessee, or licensee of the 32nd District Agricultural Association, as defined, from contracting for, authorizing, or allowing the sale of any firearm, firearm precursor part, or ammunition on the property or in the buildings that comprise the OC Fair and Event Center, as specified. The bill would exempt from its provisions a gun buyback event held by a law enforcement agency, the sale of a firearm by a public administrator, public guardian, or public conservator within the course of their duties, a sale that occurs pursuant to a contract that was entered into before January 1, 2022, and the purchase of ammunition on state property by a law enforcement agency in the course of its regular duties. Because a violation of this prohibition would be a crime, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

**Summary:** The Personal Income Tax Law and the Corporation Tax Law, in conformity with federal income tax law, generally define “gross income” as income from whatever source derived, except as specifically excluded, and provide various exclusions from gross income. Existing law, in conformity with the federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act), and its subsequent amendments in the Paycheck Protection Program and Health Care Enhancement Act and the Paycheck Protection Program Flexibility Act of 2020, among other things, excludes any amounts of covered loans forgiven under the CARES Act from gross income for purposes of the Personal Income Tax Law and the Corporation Tax Law. Existing law reduces the amount of any credit or deduction otherwise allowed under the Personal Income Tax and the Corporation Tax Law for any amount paid or incurred by the taxpayer upon which this exclusion is based by the amount of the exclusion allowed. Existing law requires any bill authorizing a new tax expenditure to contain, among other things, specific goals, purposes, and objectives the tax expenditure will achieve, detailed performance indicators, and data collection requirements. Existing federal law, the Consolidated Appropriations Act, 2021, prohibits reductions in tax deductions, denials of basis adjustments, and reductions in tax attributes for federal income tax purposes based on the exclusion from gross income provided in the federal CARES Act and its subsequent amendments. This bill would exclude, for taxable years beginning on or after January 1, 2019, from gross income any advance grant amount, as defined, issued pursuant to specified provisions of the CARES Act or the Consolidated Appropriations Act, 2021, and covered loan amounts forgiven pursuant to the Consolidated Appropriations Act, 2021. This bill would adopt specified provisions of the Consolidated Appropriations Act, 2021, prohibiting any reduction in tax deductions, denials of basis adjustments, and reductions in tax attributes based on the exclusion from gross income provided for any loan amount forgiven in modified conformity with the federal CARES Act and its
subsequent amendments. This bill, for taxable years beginning on or after January 1, 2020, would additionally exclude from gross income grant allocations to small businesses that provide economic relief caused by COVID-19, such as the California Small Business COVID-19 Relief Grants Program. This bill would provide findings to comply with the additional information requirement for any bill authorizing a new tax expenditure. This bill would also make findings and declarations related to a gift of public funds. This bill would declare that it is to take effect immediately as an urgency statute.

**SB 276**  (Ochoa Bogh R)  **Earned Income Tax Credit: 2021 credit calculation.**  
**Status:** 5/20/2021-May 20 hearing: Held in committee and under submission.  
**Location:** 5/3/2021-S. APPR. SUSPENSE FILE  
**Summary:** The Personal Income Tax Law, beginning on or after January 1, 2015, in modified conformity with federal income tax laws, allows an earned income tax credit against personal income tax, and a payment from the Tax Relief and Refund Account for an allowable credit in excess of tax liability, to an eligible individual that is equal to that portion of the earned income tax credit allowed by federal law as determined by the earned income tax credit adjustment factor, as specified. The law provides that the amount of the credit is calculated as a percentage of the eligible individual’s earned income and is phased out above a specified amount as income increases. This bill, for each taxable year beginning on or after January 1, 2021, and before January 1, 2022, would authorize a taxpayer to elect to have the amount of the credit calculated based on the taxpayer’s earned income for the taxable year beginning on or after January 1, 2019, and before January 1, 2020, the taxpayer’s earned income for the taxable year beginning on or after January 1, 2020, and before January 1, 2021, or the taxpayer’s earned income for the next taxable year beginning on or after January 1, 2021, and before January 1, 2022. This bill contains other existing laws.

**SB 278**  (Leyva D)  **Public Employees’ Retirement System: disallowed compensation: benefit adjustments.**  
**Status:** 9/13/2021-Enrolled and presented to the Governor at 3:30 p.m.  
**Location:** 9/13/2021-S. ENROLLED  
**Summary:** (1) Existing law, the Public Employees’ Retirement Law (PERL), establishes the Public Employees’ Retirement System (PERS), which provides a defined benefit to members of the system, based on final compensation, credited service, and age at retirement, subject to certain variations. PERL authorizes a public agency to contract to make its employees members of PERS and prescribes a process for this. PERS is administered by its board of administration, which is responsible for correcting errors and omissions in the administration of the system and the payment of benefits. Existing law requires the board to correct all actions taken as a result of errors or omissions of the state or a contracting agency, in accordance with certain procedures. This bill would establish new procedures under PERL for cases in which PERS determines that the benefits of a member or annuitant are, or would be, based on disallowed compensation that conflicts with PEPRA and other specified laws and thus impermissible under PERL. The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies. At the threshold, after determining that compensation for an employee member reported by the state, school employer, or a contracting agency is disallowed, the bill would require the applicable employer to discontinue the reporting of the disallowed compensation. The bill would require that contributions made on the disallowed compensation, for active members, be credited against future contributions on behalf of the state, school employer, or contracting agency that reported the disallowed compensation and would require that the state, school employer, or contracting agency return to the member any contributions paid by the member or on the member’s behalf. This bill contains other related provisions and other existing laws.

**SB 291**  (Stern D)  **Advisory Commission on Special Education: pupil advisory council.**  
**Status:** 6/4/2021-Failed Deadline pursuant to Rule 61(a)(8). (Last location was INACTIVE FILE on 6/3/2021)(May be acted upon Jan 2022)  
**Location:** 6/4/2021-S. 2 YEAR  
**Summary:** Existing law establishes the Advisory Commission on Special Education as an entity in state
government consisting of 17 members to, among other things, study and provide assistance and advice to the State Board of Education, the Superintendent of Public Instruction, the Legislature, and the Governor in new or continuing areas of research, program development, and evaluation in special education. This bill would establish an advisory council, composed of 10 pupils with exceptional needs from 16 to 24 years of age, inclusive, who represent all geographic regions of the state, to provide the commission with advice and input from current pupils with exceptional needs. The bill would require the state board to nominate a pool of qualified candidates for appointment to the council and would require the Superintendent to appoint the members of the council from the pool of candidates nominated by the state board. The bill would authorize the council to develop and enter into a public-private partnership to fund the council’s operations. The bill would require the council to hold meetings that are open to the public and to conduct those meetings virtually, except when the council and the commission determine it is necessary to conduct the meeting in person and public-private partnership funds are sufficient to support conducting the meeting in person. The bill would increase the number of members of the commission for each calendar year. This bill contains other related provisions and other existing laws.

**Summary:** Existing property tax law provides, pursuant to a requirement of the California Constitution, that the property tax base value of real property that is substantially damaged or destroyed by a disaster, as declared by the Governor, may be transferred to a comparable property located within the same county that is acquired or newly constructed within 5 years after the disaster as a replacement property. This bill would extend the 5-year time period described above by 2 years if the last day to transfer the base year value of the substantially damaged or destroyed property was on or after March 4, 2020, but on or before the COVID-19 emergency termination date, as defined, or March 4, 2022, whichever occurs sooner. The bill would also extend the 5-year time period described above by 2 years if the property was substantially damaged or destroyed on or after March 4, 2020, but on or before the COVID-19 emergency termination date or March 4, 2022, whichever occurs sooner. The bill would make these provisions applicable to the determination of base year values for the 2015–16 fiscal year and fiscal years thereafter. By adding to the duties of local tax officials, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

**Summary:** (1) Existing law establishes the After School Education and Safety Program to serve pupils in kindergarten and grades 1 to 9, inclusive, at participating public elementary, middle, junior high, and charter schools, under which a program can apply for a grant for operating a before school component, an after school component, or both the before and after school components, on one or multiple school sites. This bill would require the State Department of Education and the State Department of Social Services to review funding for all after school programs offered in the state under their respective jurisdiction, including, but not limited to, the After School Education and Safety Program and programs supported by federal funding, and to, by regulation, provide flexibility to school districts to use up to 20% of funds provided for after school programs under their respective jurisdiction for before school programs if that flexibility is not prohibited by the After School Education and Safety Program Act of 2002, an initiative statute approved by the voters at the November 5, 2002, statewide general election as Proposition 49, or federal law. This bill contains other related provisions and other existing laws.

**Student safety: opioid overdose reversal medication.**

**Status:** 6/17/2021-Re-referred to Com. on RLS. pursuant to Assembly Rule 96.

**Location:** 6/17/2021-A. RLS.

**Summary:** The Donahoe Higher Education Act establishes the University of California, which is administered by the Regents of the University of California, the California State University, which is administered by the Trustees of the California State University, and the California Community Colleges, which is administered by the Board of Governors of the California Community Colleges, as the 3 segments of public postsecondary education in the state. The act applies to the University of California only to the extent that the regents, by appropriate resolution, make it applicable. Existing law requires the governing board of each community college district and the Trustees of the California State University, in collaboration with campus-based and community-based victim advocacy organizations, to provide, as part of established campus orientations, educational and preventive information about sexual violence to students at all campuses of their respective segments. This bill would require the governing board of each community college district and the Trustees of the California State University, in collaboration with campus-based and community-based recovery advocacy organizations, to additionally provide, as part of established campus orientations, educational and preventive information provided by the State Department of Public Health about opioid overdose and the use and location of opioid overdose reversal medication to students at all campuses of their respective segments. The bill would require the governing board of each community college district and the Trustees of the California State University to require that each campus health center located on a campus within their respective segments apply to use the statewide standing order issued by the State Public Health Officer to distribute dosages of a federally approved opioid overdose reversal medication, and apply to participate in the Naloxone Distribution Project administered by the State Department of Health Care Services. Upon approval for use of the statewide standing order and participation in the Naloxone Distribution Project, the bill would require a campus health center to distribute a federally approved opioid overdose reversal medication, as specified. By imposing new duties on community college districts, the bill would constitute a state-mandated local program. The bill would request the Regents of the University of California to comply with these requirements. This bill contains other related provisions and other existing laws.

**SB 379**

**Wiener (D)**  
**University of California: contracts: health facilities.**

**Status:** 5/25/2021-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/10/2021) (May be acted upon Jan 2022)

**Location:** 5/25/2021-S. 2 YEAR

**Summary:** Existing provisions of the California Constitution provide that the University of California constitutes a public trust and require the university to be administered by the Regents of the University of California, a corporation in the form of a board, with full powers of organization and government, subject to legislative control only for specified purposes, including such competitive bidding procedures as may be applicable to the university by statute for the letting of construction contracts, sales of real property, and purchasing of materials, goods, and services. This bill would prohibit the University of California, on and after January 1, 2022, from entering into, amending, or renewing any contract with any health facility contractor or subcontractor in which a health care practitioner employed by the University of California or a trainee of the University of California providing care in the health facility under that contract would be limited in the practitioner’s or trainee’s ability to provide patients with medical information or medical services due to policy-based restrictions.
on care in the health facility. The bill would require any contract between the University of California and a health facility pursuant to which a University of California-employed health care practitioner or trainee of the University of California provides care in the health facility to include a provision restating the substance of that prohibition. The bill would require any contract between the University of California and a health facility pursuant to which a University of California-employed health care practitioner or trainee of the University of California provides care in the health facility to provide that, in the event the health facility contractor or subcontractor violates the prohibition, the contract shall be terminated for noncompliance, and the contractor or subcontractor shall forfeit penalties to the University of California, as appropriate, in an amount equal to the amount paid by the university for the percentage of work that was performed. The bill would exempt from its provisions contracts between the University of California and prescribed health facility contractors or subcontractors. The bill would require the University of California to ensure that a health care practitioner or trainee of the University of California is able to complete their training. The bill would prohibit the University of California from extending or delaying a health practitioner’s training due to the loss of a clinical training rotation. The bill would require the University of California, before January 1, 2025, to find alternative facilities for trainees to complete their training. The bill would exempt from these provisions contracts in existence before January 1, 2022, that pertain to at least one health care practitioner who is a trainee of a University of California campus that does not own or operate its own health facility, until the earlier of January 1, 2028, or the date the University of California campus acquires ownership of, or begins operating, a health facility. The bill would define terms for these purposes. This bill contains other existing laws.

**Summary:** Existing law requires the State Department of Social Services to administer all migrant childcare and development programs, including the Migrant Alternative Payment Program. Existing law requires children of migrant agricultural worker families, as defined, to be enrolled in child development programs on the basis of specified priorities. Existing law requires the reimbursement for alternative payment programs to include the cost of childcare paid to childcare providers plus the administrative and support services costs of the alternative payment program and prohibits the total cost for administration and support services from exceeding an amount equal to 17.5% of the total contract amount. This bill would prohibit payments made by the Migrant Alternative Payment Program from exceeding the applicable market rate ceiling. The bill would require the reimbursement for the Migrant Alternative Payment Program to include the cost of childcare paid to childcare providers plus the administrative and support services costs of the alternative payment program, not to exceed an amount equal to 1% of the total contract amount, as specified. The bill would make related findings and declarations.

**Summary:** (1)Existing law establishes the Department of Health Care Access and Information and requires the department to maintain a Health Professions Career Opportunity Program to, among other things, implement programs at colleges and universities selected by the department and include in those programs pipeline programs that provide comprehensive academic enrichment, career development, mentorship, and advising in order to support students from underrepresented regions and backgrounds to pursue health careers. Existing law requires, in accordance with the compliance schedule approved by the department, in any case no later than January 1, 2030, owners of all acute care inpatient hospitals to either demolish, replace, or change to nonacute care use all hospital buildings not in substantial compliance with certain regulations and standards developed by the department related to seismic safety or to seismically retrofit all acute care inpatient hospital buildings so that they are in substantial compliance with those regulations and standards. This bill would authorize the department to enter into contracts, to meet the requirements of the Health Professions Career Opportunity Program, with nonprofit entities headquartered in California that have previous experience with administering statewide workforce programs aimed at building a diverse provider workforce. This bill contains other related provisions and other existing laws.

**Summary:** (1)The federal McKinney-Vento Homeless Assistance Act provides grants to states to carry out activities relating to the education of homeless children and youths, as defined, including, among others, providing services and activities to improve the identification of homeless children and youths and to enable them to enroll in, attend, and succeed in school. The act requires a state plan submitted for the receipt of the grant to include assurances that local educational agencies will designate an appropriate staff person to act as a local educational agency liaison for homeless children and youths and a description of how the state will ensure that local educational agencies and their liaisons will comply with specified requirements of the act, including the identification of homeless children and youths. This bill would require a liaison for homeless children and youths of a local educational agency, as defined to include a school district, county office of education, charter school, or special education local plan area, to ensure the identification by school personnel of those children and youths through outreach and coordination activities with other organizations and the referral of services to homeless families and homeless children and youth. This bill contains other related provisions and other existing laws.

**Summary:** Existing law establishes in each county, except a county that is also a city and county, a county committee on school district organization, and authorizes the committee to take certain actions regarding the organization of school districts and community college districts in the territory under the committee’s jurisdiction. Existing law authorizes, in any school district or community college district, a county committee on school district organization to establish trustee areas, rearrange the boundaries of trustee areas, abolish trustee areas, and increase to 7 or decrease to 5 the number of members of a governing board, or to adopt an alternative method of electing governing board members, as specified, except in a school district governed by a board of education provided for in the charter of a city or city and county. This bill would delete the exception for a school district governed by a board of education provided for in the charter of a city or city and county, for purposes of that provision. The bill would prohibit a county committee on school district organization from rearranging trustee area boundaries in a school district or community college district that has established a hybrid or independent redistricting commission, as specified. This bill contains other related provisions and other existing laws.

### SB 503
**Voting: ballots and signature verification.**

**Status:** 9/9/2021-Enrolled and presented to the Governor at 1 p.m.
### Summary:
(1) Existing law requires an elections official, upon receiving a vote by mail ballot, to verify the signature on the identification envelope by comparing it with the signature on specified records within the voter’s registration record. Existing law requires the elections official, if the signatures do not compare or if the voter fails to sign the identification envelope, to provide a voter the opportunity to verify the voter’s signature by signing and returning a signature verification statement or an unsigned ballot statement, which the elections official will use instead to compare signatures. Existing law requires an elections official to use the same procedures for comparing signatures for provisional ballots that are used for comparing signatures for vote by mail ballots. Existing law requires the Secretary of State to promulgate guidelines for county elections officials relating to the foregoing provisions. This bill would (1) apply a presumption, for purposes of the comparison of signatures in the voter’s registration record, that the signature on an identification envelope, signature verification statement, unsigned ballot statement, or provisional ballot envelope, is the voter’s signature; (2) specify that an exact signature is not required for an elections official to determine that the signature is valid and the fact that signatures share similar characteristics is sufficient to determine the signature is valid; (3) permit a ballot to be rejected only if two officials determine beyond a reasonable doubt that a voter’s signature differs in multiple, significant, and obvious respects from all signatures in the voter’s registration record; (4) prohibit an elections official from reviewing or considering a voter’s party preference, race, or ethnicity, when comparing signatures; and (5) require the elections official to send, on or before the next business day after determining that a voter’s signature does not compare or is missing, except as specified, notice to the voter of the opportunity to verify or provide a signature and a postage-paid return envelope for the voter to return a signature verification statement or unsigned ballot statement. The bill would also require an elections official comparing signatures, including when the official uses signature verification software or other technology, to adhere to applicable regulations promulgated by the Secretary of State. This bill contains other related provisions and other existing laws.

**Summary:** Existing law makes willful threats to commit a crime that will result in death or great bodily injury to another person illegal, and punishes offenders with imprisonment in a county jail for a period not to exceed one year, or by imprisonment in the state prison. This bill would prohibit a malicious communication to any other person, as specified, that deadly harm will occur on the campus of a school, or at a location of a school-sponsored event, even if there is no intent of carrying it out. The bill would make a violation punishable by imprisonment in a county jail for a period not exceeding one year or by imprisonment in a county jail for 16 months, or 2 or 3 years. The bill would require a minor who violates this provision to be placed on probation and ordered to perform community service and participate in mental health counseling. The bill would make the parent or guardian of the minor responsible for the expense of counseling and any civil liability resulting from a violation of these provisions. This bill contains other related provisions and other existing laws.

**Summary:** Existing law establishes the State Department of Public Health in the California Health and Human Services Agency. Existing law sets forth its powers and duties pertaining to, among other things, protecting, preserving, and advancing public health, including disseminating information regarding diseases. This bill would require the department, in consultation with the State Department of Education, to establish a policy no later than 6 months after the effective date of the bill, to address the mental health effects of school closures on pupils in years when a state or local emergency declaration results in school closures. The bill would require local educational agencies to adopt the policy subject to an appropriation in the annual Budget Act for that purpose. This bill contains other related provisions.

Page 52/59
SB 539  (Hertzberg D)  Property taxation: taxable value transfers.
Status: 9/13/2021-Enrolled and presented to the Governor at 3:30 p.m.
Location: 9/13/2021-S. ENROLLED

Summary: The California Constitution generally limits ad valorem taxes on real property to 1% of the full cash value of that property, defined as the county assessor’s valuation of real property as shown on the 1975–76 tax bill and, thereafter, the appraised value of the property when purchased, newly constructed, or a change in ownership occurs after the 1975 assessment, subject to an annual inflation adjustment not to exceed 2%. Existing property tax law provides that the purchase or transfer of the principal residence, and the first $1,000,000 of other real property, of a transferor in the case of a transfer between parents and their children, or between grandparents and their grandchildren if all the parents of those grandchildren are deceased, is not a “purchase” or “change in ownership” for purposes of determining the “full cash value” of property for taxation. This bill would implement these newly adopted constitutional provisions, as provided. The bill would require that the principal residence transferred be the principal residence of the transferor, and that it become the principal residence of the transferee within one year of the transfer. The bill would require, in order to claim the exclusion, that a claim be filed with the assessor. Because the bill would require county assessors to provide new services in relation to family farms, it would impose a state-mandated local program. The bill would require the State Board of Equalization to prescribe a form for claiming eligibility for the exclusion to be filed as provided. The bill would require the State Board of Equalization to adopt emergency regulations in order to implement these provisions, as provided. The bill would also provide that a claim filed under this section is not a public document and is not subject to public inspection, except to specified parties. This bill contains other related provisions and other existing laws.

Watch TB Tax

Status: 6/10/2021-Referral to Com. on ED.
Location: 6/10/2021-A. ED.

Summary: Existing law requires the governing board of each school district and each county board of education to approve a policy regarding the promotion and retention of pupils between specified grades, and requires that policy provide for the identification of pupils who should be retained or who are at risk of being retained in their current grade level on the basis of specified factors. Existing law requires that the policy provide for parental notification when a pupil is identified as being at risk of retention, and that the policy provide the pupil’s parent or guardian the opportunity to consult with the teacher or teachers responsible for the decision to promote or retain the pupil. Existing law also requires, under specified circumstances, that the pupil’s parent or guardian be provided the opportunity to discuss a teacher’s recommendation with the teacher and the principal before any final determination of pupil retention or promotion is made. Existing law requires a pupil to be promoted or retained only as provided for in those policies. This bill would require school districts, upon receiving a request from a pupil’s parent to retain the pupil for the 2021–22 school year, to offer to the pupil specified interventions and supports, offer to the pupil access to prior semester courses in which the pupil received a D or F letter grade or offer some other form of credit recovery, and provide to the parent information, made available by the State Department of Education, about research on the effects of pupil retention, and the types of interventions and supports that have been shown to be beneficial to pupils. The bill would require the department to compile existing research on the effects of pupil retention on future academic outcomes, and on other outcomes as determined by the department, for pupils who were retained, and on the types of interventions and supports that have been shown to be beneficial to pupils. The bill would require the department to make this information available on its internet website commencing on or before August 1, 2021. This bill contains other related provisions and other existing laws.

SB 566  (Leyva D)  Public postsecondary education: California State University: support staff employees: merit salary adjustments.
Status: 5/25/2021-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 3/22/2021) (May be acted upon Jan 2022)
Location: 5/25/2021-S. 2 YEAR

**Summary:** Existing law establishes the California State University, under the administration of the Trustees of the California State University, as one of the segments of public postsecondary education in this state. The California State University system comprises 23 institutions of higher education. Existing law requires the trustees to provide by rule for the government of their appointees and employees, as specified. This bill would require, after completion of the first year in a position and after each subsequent year, that each support staff employee of the California State University receive a merit salary intermediate step adjustment of 5% when the employee meets the standards for satisfactory performance in the position, as specified. The bill would require, on and after January 1, 2022, language that effectuates its provisions to be automatically incorporated into any pertinent memorandum of understanding or collective bargaining agreement entered into, or renewed, by the California State University. The bill would require any associated costs incurred by implementing its provisions to be paid for using existing resources of the university. This bill contains other related provisions.

**Summary:** Existing law requires, in conformance with federal law, that the Secretary of State and the Department of Motor Vehicles establish and implement the California New Motor Voter Program for the purpose of increasing opportunities for voter registration for qualified voters. Existing law requires the Department of Motor Vehicles to transmit to the Secretary of State specified information related to the person’s eligibility to vote, which the person provides when applying for a driver’s license or identification card or when the person notifies the department of an address change. Existing law provides that this information transmitted to the Secretary of State constitutes a completed affidavit of registration, and the Secretary of State is required to register the person to vote, unless the person affirmatively declines to register to vote or the person is ineligible to vote, or other specified conditions exist. Existing law defines a “voter registration agency” to mean, among other entities, a department, division, or office of state or local government, or a program supported by state funds, that is designated by executive order of the Governor or pursuant to the National Voter Registration Act of 1993. This bill would require the Department of Motor Vehicles to transmit specified information to the Secretary of State with respect to a person who, when submitting an application for a driver’s license or identification card, provides documentation demonstrating United States citizenship and that the person is of an eligible age to register or preregister to vote, among other requirements. The bill would require the Secretary of State, upon receipt of this information, to register or preregister the person to vote. The bill would require, if a person is registered or preregistered to vote in this manner, that the appropriate county elections official send to the person’s address of record a notice advising that the person may decline to register or preregister to vote, designate a party preference, select a language preference, or choose to be a permanent vote by mail voter. The bill would also require the county elections official to send a notice to a person if the Secretary of State changes the person’s voter registration information after receiving updated name or address information from the department. The bill would require certain information contained within the notices to be translated into the minority languages for the county, as further specified. This bill contains other related provisions and other existing laws.

**Summary:** Existing law, Chapter 111 of the Statutes of 2020, moved the date of the statewide direct primary election in even-numbered years in which there is no presidential primary election from the first Tuesday after the first Monday in March to the first Tuesday after the first Monday in June. Existing law authorizes elections for certain local offices to be held on the day of the statewide direct primary election. This bill would extend any term of office set to expire in March or April 2022, where the next scheduled regular election for that office has been consolidated with the 2022 statewide primary election, until the certification of election results from the 2022 statewide primary election.

Status: 5/25/2021-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/3/2021)(May be acted upon Jan 2022)
Location: 5/25/2021-S. 2 YEAR
Summary: Existing law establishes various environmental and economic policies and programs. This bill, upon appropriation by the Legislature, as provided, would establish the Nature and Parks Career Pathway and Community Resiliency and Equity Act of 2021, which would require state conservancies and the Wildlife Conservation Board to establish grant programs to fund climate mitigation, adaptation, or resiliency, natural disaster, and other climate emergency projects, as specified.

SB 609  (Hurtado D)  CalFresh.
Status: 9/9/2021-Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.
Location: 9/9/2021-S. ENROLLMENT
Summary: Existing federal law provides for the Supplemental Nutrition Assistance Program (SNAP), known in California as CalFresh, under which supplemental nutrition assistance benefits allocated to the state by the federal government are distributed to eligible individuals by each county. Under existing law, households are eligible to receive CalFresh benefits to the extent permitted by federal law. Existing federal law provides that students who are enrolled in college or other institutions of higher education at least half time are not eligible for SNAP benefits unless they meet one of several specified exemptions, including participating in specified employment and training programs. This bill would require the department, upon an appropriation by the Legislature for this purpose, and to the extent permitted by federal law, to include adult education and career technical education programs in the list of programs that are deemed to meet the employment and training exemption set forth in the federal regulations. This bill contains other related provisions and other existing laws.

SB 659  (Becker D)  Community colleges: California College Promise.
Status: 5/25/2021-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/3/2021)(May be acted upon Jan 2022)
Location: 5/25/2021-S. 2 YEAR
Summary: Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law requires community college districts to charge students an enrollment fee of $46 per unit per semester. This bill would instead authorize community college districts to charge students an enrollment fee up to $46 per unit per semester. The bill would require the governing board of a community college district that charges a fee rate less than $46 per unit per semester to adopt a policy that establishes eligibility requirements for fee rate modifications, as specified, and a community college district that charges a fee rate less than $46 per unit per semester would not be eligible for state reimbursement for the difference between the fee rate charged and the $46 per unit per semester enrollment fee. This bill contains other related provisions and other existing laws.

SB 701  (Committee on Education)  Public postsecondary education: federal GI Bill: nonresident tuition: real property.
Status: 7/16/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 110, Statutes of 2021.
Location: 7/16/2021-S. CHAPTERED
Summary: (1) Effective for academic terms beginning after July 1, 2019, existing law exempts a student enrolled at a campus of the California Community Colleges or the California State University from paying nonresident tuition or any other fee that exclusively applies to nonresident students if the
student resides in California, meets the definition of “covered individual” under federal law, and is eligible for education benefits under 3 specified categories of beneficiaries under the federal GI Bill, as the federal law read on January 1, 2019. After the expiration of a 3-year period following a discharge under federal law, existing law deems such a student as maintaining “covered individual” status as long as the student remains continuously enrolled, as defined, at a campus, and requires the student to continue to be exempt from paying the tuition and fees described above. This bill would instead provide, effective for academic terms beginning on or after August 1, 2021, in conformity with federal law enacted on January 5, 2021, that eliminated the requirement of the expiration of a 3-year period, that such a student is deemed to maintain “covered individual” status as long as the student remains eligible for any of the 3 federal GI Bill programs referenced above. This bill contains other related provisions and other existing laws.

(Rubio D) **Pupil instruction: tutoring program: learning loss mitigation.**

Status: 5/25/2021-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/17/2021)(May be acted upon Jan 2022)

Location: 5/25/2021-S. 2 YEAR

Summary: Existing law establishes a system of public elementary and secondary education in this state, and authorizes local educational agencies throughout the state to provide instruction to pupils in kindergarten and grades 1 to 12, inclusive. For purposes of calculating apportionments for the 2020–21 fiscal year, existing law requires a local educational agency to offer in-person instruction and authorizes it to offer distance learning, as specified. Existing law requires the California Collaborative for Educational Excellence and the State Department of Education, by September 1, 2018, to establish a process to select county offices of education to serve as geographic lead agencies that work collaboratively with the department and the California Collaborative for Educational Excellence to advance the purpose of the statewide system of support, as specified. This bill would require the department to administer the tutoring program to provide supplemental individualized learning assistance, both in-person and online, to address learning loss, as specified. The bill would require the department, on or before April 1, 2022, to adopt regulations related to the tutoring program. The bill would require each county office of education to use these regulations to facilitate and implement the program in their county, and would require geographic lead agencies to be available to provide technical assistance to county offices of education and school districts, as specified. The bill would require county offices of education to notify the department, on or before May 1, 2022, of school districts that have decided to participate in the tutoring program. The bill would require the department to announce the list of participating school districts on or before June 1, 2022. The bill would make all public school pupils in kindergarten and grades 1 to 12, inclusive, in school districts that meet criteria adopted in the department's regulations eligible to participate in the tutoring program. The bill would require each school district that chooses to participate in the program, upon a subsequent appropriation by the Legislature, to develop and implement supplemental individualized learning assistance for pupils. The bill would require the participating school districts to submit reports to the department detailing learning gains and program costs on or before August 1, 2023, and annually thereafter. The bill would require the department, on or before December 1, 2023, to submit a report to the Legislature on the program that includes, but is not limited to, recommendations on how to improve the program. The bill would require the tutoring program to only become operative upon an appropriation by the Legislature. To the extent county offices of education are required to perform additional duties, the bill would impose a state-mandated local program. This bill contains other existing laws.

**Summary:** Existing law establishes the Student Aid Commission and assigns to it numerous duties with respect to student financial aid programs, including administration of the Student Opportunity and Access Program. Under this program, the commission may apportion funds for the support of projects designed to increase accessibility of postsecondary educational opportunities for certain elementary and secondary school pupils. Existing law requires each project to be proposed and operated through a consortium, as specified, and requires at least 30% or the equivalent of each project grant to be allocated for stipends to peer advisers and tutors meeting specified criteria. This bill, among other things, would instead authorize the commission to apportion funds under the program to projects designed to increase accessibility of postsecondary educational opportunities and financial aid for pupils from underserved communities who meet specified criteria. The bill would impose additional requirements on projects receiving funding, including requiring projects to provide assistance to those pupils from underserved communities who are enrolled in high school and their parents or guardians by providing information on college preparation and on understanding the total cost of attending a postsecondary educational institution, and by assisting with completion of financial aid applications. The bill would require every consortium operating a project to allocate at least 30% or the equivalent of each project grant to college success coaches and for any costs associated with providing training or necessary supplies and equipment to the college success coaches who meet specified criteria. This bill contains other related provisions and other existing laws.

**Summary:** The federal Higher Education Act of 1965 prohibits, as a condition of participating in federal student aid programs, a for-profit private postsecondary educational institution from deriving less than 10 percent of its revenues for each fiscal year from sources other than federal financial assistance, as defined. Under the federal act, if an institution fails to comply with the requirement for 2 consecutive fiscal years, it loses its eligibility to participate in federal financial assistance programs for at least two fiscal years. The California Private Postsecondary Education Act of 2009 provides for the regulation of private postsecondary educational institutions by the Bureau for Private Postsecondary Education in the Department of Consumer Affairs. This bill would prohibit private postsecondary educational institutions, commencing with the 2023–24 academic year, from enrolling California residents if, pursuant to that federal law, for the previous 2 consecutive fiscal years or 2 out of the previous 3 fiscal years it derived less than 10 percent of its revenues from sources other than federal financial assistance.

**Summary:** Existing law establishes the California Work Opportunity and Responsibility to Kids (CalWORKs) program, under which each county provides cash assistance and other benefits to qualified low-income families using federal, state, and county funds. Existing law requires that specified CalWORKs eligible individuals that are participating either full time in an educational activity or part time in an educational activity and meeting the hourly participation rates based on the number of academic units, as specified, at a publicly funded postsecondary educational institution and making satisfactory progress, as specified, receive a standard payment of $175 per semester or quarter, which may be provided, in whole or in part, in the form of a book voucher, or reimbursement for verified actual expenses for the purpose of paying costs associated with attending the postsecondary educational institution. This bill would additionally authorize the CalWORKs eligible individuals who participate in a full time or part time educational activity at a nonprofit postsecondary educational institution to receive those standard payments. The bill would include summer session as a quarter for these purposes. The bill would instead base the hourly participation rates described above on instructional hours, as defined. By imposing a higher level of service on county employees,
the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

**Summary:** Existing law establishes the California Promise, which requires at least 20 campuses of the California State University to establish a California Promise program by which the campus enters into a pledge with a student who satisfies specified criteria to support the student in earning a baccalaureate degree within 4 academic years, or if the student is a community college transfer student who earned an associate degree for transfer, within 2 academic years, of the academic year of the student’s first year of enrollment at the California State University. This bill would require, commencing with the 2022–23 academic year, that at least 5% of each incoming class at each participating campus of the California State University be a participant in the California Promise program, and that at least 70% of those participating students be either low-income students, first-generation students, or students from communities that are underrepresented in postsecondary education.

**Summary:** Existing law, the California Private Postsecondary Education Act of 2009, provides for the regulation of private postsecondary educational institutions by the Bureau for Private Postsecondary Education in the Department of Consumer Affairs. The act applies to private entities with a physical presence in the state that offer postsecondary education, as defined in the act, to the public for an institutional charge, but exempts certain institutions from its application, including certain institutions that offer continuing education, which is also defined in the act, and other institutions that offer educational programs to members of a trade or fraternal organization that sponsor the educational programs. The act requires the bureau to adopt by regulation minimum operating standards for institutions that are subject to the act’s provisions, including a standard that requires accreditation for degree-granting institutions. The act requires an institution to obtain bureau approval before making certain substantive changes to its operations. The act authorizes the bureau to suspend, revoke, or place on probation an institution’s approval to operate for violations of the act that result in actual student harm. The act is repealed by its own provisions on January 1, 2022. This bill would revise and recast provisions of the act. The bill would revise the definition of “continuing education” to expressly exclude instruction that leads to a degree and would revise the definition of “educational program” to exclude a course of 32 hours of instruction or less that is not designed to lead to employment. The bill would exclude instruction that leads to a degree and would revise the definition of “educational program” to include an institution’s educational programs related to clock and credit hours or distance learning, and those relating to an institution’s participation in certain federal student aid programs. The bill would make other conforming, technical, and nonsubstantive changes and would extend the operation of the act by one year to January 1, 2023. This bill contains other related provisions and other existing laws.

---

**SB 818**  **(Committee on Governmental Organization) California State Lottery.**
Summary: The California State Lottery Act of 1984 authorizes a California State Lottery and provides for its operation and administration by the California State Lottery Commission and the Director of the California State Lottery. Existing law requires that not less than 87% of the total annual revenues of the state lottery be returned to the public in the form of prizes and net revenues to benefit public education, as specified, and requires at least 50% of annual lottery revenues to be returned to the public in the form of prizes. Existing law, to become operative following notification from the Controller to the Legislature and the Governor that certain events have occurred, changes the revenue allocation formula so that not less than 84% of the total annual revenues of the state lottery be returned to the public in the form of prizes and net revenues to benefit public education, as specified, and requires 50% of the total annual revenues to be returned to the public in the form of prizes. This bill would require the director, at least once every 5 years, to conduct a study to determine the optimal prize payout range to maximize the amount of funding allocated to public education each year by the lottery. The bill would require the commission, commencing with the 2021–22 fiscal year, and consistent with the above formula, to use the optimal prize payout range to set the lottery’s budget each fiscal year.
