A convention call must be issued to all locals at least sixty (60) days prior to the date of the convention, specifying the program of the convention, the time of preliminary committee meetings, and the time the delegates are expected to arrive. In case the President fails to call said meeting within the time specified, the State Council shall have the power to call the Convention.

Section 2. Councils of Locals

- a. Locals with fewer than 100 members each, but in the aggregate fewer than 300 members, from a contiguous geographic area, may form councils of locals for the general purpose of electing a common delegate to the Convention and/or State Council. Locals which form such a council under this section:
 1. shall adopt a common resolution to establish the council in a regular meeting of such local no later than two months prior to the convention;
 2. shall nominate at the same meeting of each local a member or members for the council's delegate(s);
 3. shall elect at a meeting of each such local or by mail ballot, agreed to by the council and in conformity with federal law. The delegates and alternates shall be elected no later than two months prior to the Convention by a common secret ballot listing all nominees and their local numbers. The nominees receiving the highest number of votes totaled among all locals in the council will be the delegates and the next highest, the alternates. The number of delegates and alternates to Convention will be determined by Section 8 and be based on the aggregate membership of the council;
 4. shall forward properly signed credentials from each local in the council for the duly elected delegate(s) and alternate(s),

in time to reach the CFT office no later than two weeks prior to the Convention. The Executive Council shall approve procedures consistent with the requirements of this section for the election of the council delegates. The Secretary-Treasurer shall forward such procedures to all locals reporting fewer than 100 members in per capita five months prior to the Convention. No local participating in the council shall have any other delegate seated in the Convention. The voting strength of the council's delegate(s) shall be based on the aggregate of the membership in the locals which credential the council's delegate(s).

- b. The Executive Council is authorized to recognize a council of locals organized for the convenience of doing business with one employer common to all of the council's locals for the purpose of electing delegates to the Convention. Nomination procedures shall be established by such council to permit all such locals to nominate from their respective memberships at least thirty days in advance of the election, which shall be conducted by mail ballot in conformance with federal law. No other delegates shall be seated in the Convention from any individual local of the council unless the local has notified the CFT office one month prior to the Convention that it is not participating in such council for the purposes of electing delegates to the Convention. The voting strength of such council shall be based upon the aggregate membership of all such locals, which individually credential all delegates common to the council.

Section 3. Members at Large

- a. Members-at-large may nominate and elect delegates to convention by mail ballot in conformity with federal law. The delegates and alternates shall be elected no later than two months prior to the Convention by a secret mail ballot listing all nominees and their school districts. The nominees receiving the highest number of votes totaled will be considered delegates and the next highest, the alternates. The number of delegates and alternates to convention will be determined by Section 8 and be based on the aggregate membership of the members-at-large.
- b. A member-at-large delegate or alternate to Convention must be in good standing with the CFT.

Section 4. Ex-Officio Delegates

Voting members of the Executive Council who are not delegates from their locals shall be ex-officio delegates at the convention and shall each have one vote.

Section 5. Credentials

- a. The Secretary-Treasurer shall send a notice to locals in arrears one month before the Convention.
- b. The President shall cause suitable credential forms to be prepared and sent to each local. The President shall appoint a Credentials Committee of five; one member must be the Secretary-Treasurer.
- c. Locals must have delegates and alternates registered with the

Secretary-Treasurer two weeks in advance of the Convention. Any exceptions shall be referred to the Credentials Committee. To be seated, delegates must be from locals in good standing and present credentials signed by the proper authorities of the local no later than noon of the second day of the Convention.

Section 6. Delegates

A credentialed delegate must be a member from a local in good standing. The delegate must be elected by secret ballot and in accordance with federal law. At the time of credentialing delegates, a local may certify alternates to serve in the place of its delegates who may be absent from the Convention. Alternates must meet the same membership requirements as delegates.

Section 7. Delegate Allocation

- a. One delegate to the biennial convention may be elected by each local or council of locals as stated in Section 2 having a membership of twenty-five or fewer. For each additional twenty-five members, or fraction thereof, one additional delegate may be elected. The delegate strength to any state convention shall be based on average membership pursuant to Section 8 of this article.
- b. Each organization of retired members chartered by AFT may elect one delegate to the AFT and CFT Conventions in the manner prescribed by Section 6 of this Article and shall be entitled to one vote at the Convention.

Such delegates shall be entitled to all rights and privileges of a delegate except that such delegates shall not be entitled to nominate any candidate for Federation office or cast a vote in the election of Federation officers unless such delegates have been elected to that position by secret ballot vote.

Section 8. Determination of Average Membership

Membership shall mean the average number on which the per capita tax has been paid for the first twelve months of the fourteen-month period immediately preceding the month in which the Convention meets, provided:

- a. that no local in arrears for two months at the time of Convention shall be entitled to representation;
- b. that, in the case of locals which have been chartered during the one year preceding the Convention, the average shall be computed on the basis of the number of months of affiliation, the minimum for such computation to be two months.

Section 9. Roll Call Voting Strength

On all roll call votes in the biennial convention, each local represented shall be entitled to a number of votes equal to the average membership as defined in Section 8 of this Article.

Section 10. Distribution of Votes

The votes of a local shall be distributed as evenly as possible among the delegates present at the time of the voting, but votes

shall not be fractioned. All additional votes shall be assigned by lot or by an objective formula which has been previously reported to the Secretary-Treasurer, with no delegate getting more than one of the additional votes. In the election of CFT officers and of delegates to organizations with which the CFT is affiliated, all voting shall be by roll call vote except when the election is by unanimous consent, and each local represented shall be entitled to the average membership as defined in Section 8 of this Article.

Section 11. Roll Call Vote (Resolutions and Constitutional Amendments)

A motion calling for a roll call vote shall require a 25% vote for adoption. No debate, amendment, or other motion affecting the question on which the roll call vote was ordered may be made after a roll call has been ordered. The presiding officer of the Credentials Committee shall call the roll of locals entitled to vote. The Secretary shall record each vote as cast and may appoint other tellers to assist in recording and tabulating the votes. Every local shall be entitled to a number of votes equal to the average membership as defined in Section 8 of this Article. Any local, in order to cast its votes, must have a delegate or alternate present on the Convention floor. The ranking delegate shall report the vote of the local to the presiding officer of the Credentials Committee when called upon. After a roll call has been taken, the presiding officer shall call for the next item on the agenda, action on the pending motion being automatically postponed pending the tabulation of the vote. The results of the roll call vote shall be tabulated by the committee on credentials and reported to the Convention immediately upon completion of the tabulation according to the following procedure:

- a. The total vote shall be read;
- b. If any delegate challenges the vote of his/her local, the roll of delegates from that local shall be read, and each delegate shall rise as his/her name is called, announce his/her vote and state the number of votes he/she is casting;
- c. The report on the roll call vote shall then be revised to agree with the oral vote just taken;
- d. If any ten delegates request it, the vote by locals shall be posted;
- e. No adjournment shall take place until the results of the roll call vote have been announced.

Section 12. Nominations and Election Procedures

a. **Nominations:** Nominations of CFT officers and delegates to the American Federation of Teachers convention and to the California Labor Federation convention shall be by an "announcement of candidacy form" signed by the candidate for office and presented to the Secretary-Treasurer not later than the time and date specified in the Convention rules for nominations and elections. The names of all announced candidates shall be read to the Convention. Nominations may be made from the floor. All floor nominees must immediately complete the "announcement of candidacy form." Nominations shall be declared closed by

the presiding officer after asking for nominations from the floor three times for each office. An opportunity shall be given for any person nominated to decline.

b. **Speeches:** Each candidate for president may have ten minutes for their campaign speech. Each candidate for Secretary-Treasurer may have five minutes for their campaign speech. Each candidate for Executive Vice President may have five minutes for their campaign speech. All other candidates may have two minutes for a campaign speech. The candidates shall be recognized in alphabetical order. Any candidate may designate an alternate speaker.

c. **Elections:** Except when the election is by unanimous consent, the election shall be by roll call vote in accordance with the following procedures:

- 1) Balloting for the election of officers and delegates shall take place under supervision of the Elections Committee. No other official business shall be conducted during balloting. Only delegates who are officially seated may vote in the election.
- 2) The ballots shall be distributed to the ranking delegate of each delegation under the direction of the chair of the Elections Committee. (These ballots shall be prepared under the supervision of the Elections Committee). The ranking delegate shall equally distribute the votes among delegates representing themselves. No delegate shall have more than one vote more than each of the other delegates.
- 3) Each delegate voting shall enter on the ballot the number of the local, the delegate's printed full name, the number of votes to be cast, the actual vote, and shall sign the ballot.
- 4) Ballots shall be deposited in the ballot boxes not later than one hour following the opening of the polls. Ballots may be deposited by the ranking delegate or delegates may elect to deposit their own ballots.
- 5) After the polls have closed, the Elections Committee shall supervise the counting of the ballots. The tally sheet shall be certified as accurate and retained by an independent body designated by the Elections Committee. The chair of the Elections Committee shall report the results of the election to the Convention.
- 6) The independent body shall retain all ballots for two years. At the end of two years the Elections Committee shall destroy the ballots. A local may submit a resolution from the Executive Board to the President requesting a copy of all ballots cast by delegates of the local.

Section 13. Alternates

When a delegate leaves the Convention, his/her place in the Convention may be taken by an alternate, if any has been certified by the Credentials Committee as duly elected by the local and in the order as elected. No other transfer or substitution of voting rights is allowed.

Section 14. Quorum

Delegates representing a majority of all votes eligible to a biennial convention shall constitute a quorum.

Section 15. Convention Resolutions

a. Resolutions for the Convention may be introduced by locals, by the State Council, by the Executive Council, by CFT standing committees, by councils, or by convention committees. No resolution may be introduced later than six weeks prior to the opening of the Convention except by two-thirds vote of the Convention. Any resolution submitted by a local shall bear the signature of two elected officers of the local, certifying that the resolution was approved for submission to the Convention by the Executive Board or the membership of the local.

b. Any resolution passed by the convention requesting a donation of money by CFT to other organizations or causes shall only serve as a recommendation to the Executive Council. The Executive Council will review the available funds and determine the exact amount to be donated.

c. Late Resolutions

- 1) All resolutions not received in the office of the Secretary-Treasurer six weeks prior to the opening of the convention, shall be considered late resolutions.
- 2) Late resolutions must first be presented to the Chairperson of the Convention or designee and carry the signatures of at least 15 delegates, including the signatures of the ranking delegates from two or more locals.
- 3) To be heard, late resolutions must be approved by a 2/3 vote of the convention delegates one general session prior to consideration. For consideration, late resolutions will be printed by CFT and available to all convention delegates.
- 4) To be considered, late resolutions must address issues that because of timeliness could not have been dealt with through the resolutions process. Determination to be made by the Chairperson of the Convention or designee.
- 5) Late resolutions not reviewed by a subcommittee shall be considered only after all subcommittee resolutions have been considered.

d. Forwarding Resolutions

All resolutions not acted on by the Convention shall be forwarded to the Executive Council for disposition.

Section 16. Convention Committees

a. Convention committee chairs and the members of the Constitution Committee shall be appointed by the President with the approval of the Executive Council. In appointing members of other convention committees the President shall give consideration to the expressed choices of delegates as indicated on their committee choice cards which are included with the Convention

call. However, the President shall not be bound by the choice cards, but shall give equal weight and consideration to service on standing committees and to the proper balancing of committees. Members of CFT standing committees who are delegates shall be appointed to the corresponding convention committees in order to coordinate the work of the Convention committees and the CFT standing committees. Changes in assignments of delegates to committees shall be made only by the President or upon application. Such application shall include a written statement of the reason for desiring the change. No change shall be made after noon on the first full day of the Convention.

b. A delegate interested in a specific problem or resolution shall have the opportunity to present his/her viewpoint to the appropriate committee at a time designated by the committee chairperson.

c. Reports of convention committees shall be received at the time designated in the printed program or as designated by the Convention. Reports shall be made in the order assigned by the chairperson of the Convention Committee and the President.

d. Debate in committees may be limited by a two-thirds vote of the committee.

Section 2. Per Capita Calculations

The per capita for active members of the California Federation of Teachers will be adjusted each odd-numbered year with the approval of the state convention or in even-numbered years with the approval of the State Council by a percentage amount not to exceed the statewide percentage change in average salaries of all bargaining units. The annual percentage change in the per capita will be calculated as follows:

- 1) First, the lowest salary step for full-time beginning employees will be added to the highest salary step for full-time employees, the highest step being one without a doctorate and without anniversary increments.
- 2) Second, the sum of these two salaries will then be divided by two, providing the average salary. These averages will be calculated for all districts having exclusive representatives affiliated with CFT. The salary schedules used will be those effective on December 1 of the current year.
- 3) The percentage change in average salary from December 1 of a current school year to December 1 of the next year will be calculated and applied to the regular rates above.
- 4) The Executive Council of the CFT will certify each year that

the appropriate procedures have been used to calculate the CFT per capita to be effective September 1 of that calendar year and make a recommendation to the state Convention or State Council.

Section 3. Per Capita Reports

a. Due Dates and Exceptions

- 1) Locals shall fill out and forward to the Secretary-Treasurer, on or before the 15th day of each month, a report for all members in good standing and agency fee payers in the local on the last day of the prior month, together with all per capita taxes due to the California Federation of Teachers. The local shall pay per capita taxes based on the estimated number of days to be worked during the time period divided by 180 in the dues category based on the expected annual pay of a day-to-day employee working 180 days in a year. The local shall subtract from such payment any assessments automatically remitted to CFT through AFT in the estimate period.
- 2) At the date of the succeeding estimate period, the local or council of locals shall submit a report of the actual number of days worked by day-to-day employees in the preceding period and either submit an additional amount of per capita tax to CFT based on underestimation, or subtract the over-estimated amount from the following six-month estimated per capita tax.

Section 4. Student Members

Where a local affiliated with the AFT and the CFT exists in or near a public or private high school, college, university, or other post-secondary educational institution in California, that local may accept prospective educators as AFT and CFT student members.
