Defend public education—vote NO on the recall.

Vote your values

This recall is a direct attack on our values. The Newsom administration has a strong record of standing up for the things that matter most.

- ✓ Signed record-breaking \$123.9 billion investment in public education, including \$20 billion in equity-centered funding and \$3 billion to community schools
- ✓ Launched universal free school meal program for all public school students
- ✓ Provided frontline workers—including teachers and classified staff—with early access to COVID-19 vaccines
- ✓ Championed criminal justice reform and signed the California Racial Justice Act
- ✓ Strengthened protections for LGBTQ+ Californians

Protect our progress. Vote NO on the recall.

Don't let them dismantle public education

The recall is funded by people allied with Betsy DeVos who want to undermine quality public education and progressive values in California. Their agenda includes:

- ✗ Dismantling public education funding
- ✗ Expanding charter schools
- ✗ Moving to a voucher-like system
- ✗ Defunding community colleges
- ✗ Opposing LGBTQ+ rights
- ✗ Slashing wages and benefits for workers

Your vote is critical to protect public schools. Vote NO on the recall today.
