

Nationwide Day of Action to Support Our Children

SEPTEMBER 2

---

# DEMAND SAFE SCHOOLS

#DemandSafeSchools

---

COVID-19 has turned our country upside down.  
Schools are opening, and students aren't safe.  
Teachers and school staff are losing their jobs.  
Education is suffering.

## WE'VE HAD ENOUGH.

Join us in demanding that our federal government  
fund some solutions.

- **Grab** a sign.
- **Get** online.
- **Hold** your own homegrown demonstration.
- **Join** a car parade.
- **Start** a Twitter storm; use the hashtag #DemandSafeSchools.
- **Call** your legislators.
- **Attend** a town hall.
- **Write** an email, a letter to the editor or a Facebook post.

Let's fight together for the funding we need to keep our students  
safe, keep our educators employed, and save public education.

## TOGETHER, WE WIN.
